Mr. Andreas Behling

Re: Insulting a judge
Criminal case: Incitement to hatred
MZ, July 29, 2026 > Page 15

Good day, Andreas

My name is Gerhard and I testify

Anyone who seeks deprive someone of the right of decision, he is already immatur.

This statement appears near the beginning of my letter of July 17, 2026, to the Dessau-Roßlau Regional Court, in which I explain my absence from the hearing on that day, and which I also sent to you.

The insult is no longer up for debate; I am now only accused of incitement to hatred. In 2023, I was accused of both. But if one is dismissed, the other cannot be true either. I am not dual, but one being, one spirit, one unity, one greatness, one character, one sovereignty. It's like a cake. If one slice tastes good, then the whole thing tastes good. If one slice doesn't taste good, then neither does the rest. Anyone who sees it differently is a cheat. Anyone who sits down at a table with cheats belongs to this conspiracy. They endorse cheating. However, anyone who accuses someone who doesn't join the conspiracy and completely denies it, he has a skeleton in their closet. Pus to pus > manure to manure. This is the law and order of every conspiracy system. Oury Jalloh burned to death in a Dessau prison cell in 2005. His death remains unsolved to this day.

I would like to address the topic of insults here.

The term "**insult**" derives from the word "suffering." This means that every insulted person was already suffering beforehand; that suffering existed even before the perceived insult was present within that person. The cause and effect of every suffering always form and define a closed system > a system that establishes, harbors, nourishes, and binds the suffering, for which the sufferer alone is responsible. To end the suffering, the system must be dissolved, that is, the cause as well as all its consequences. Where this does not occur, the suffering will not only continue but will steadily increase and deepen into an apocalyptic climax.

Just as physical suffering (visible) exists, so too does spiritual suffering (invisible). Visible suffering is always rooted in the invisible, thus pointing to an "**Unspirit**" that must be recognized and transformed. Many refuse to acknowledge this and instead rail against all enlightenment. "**Hate is simply stupid.**"

A **Seer** and **Enlightener** recognizes inner, spiritual suffering as well as its external, physical consequences, and thus understands its cause. By addressing and thus touching upon it, the suffering becomes openly visible in the affected person's behavior. The person is not insulted; rather, their **suffering** is made visible to them and all present, thereby opening the door to comprehensive healing. **To refuse to see is to refuse to hear.**

A festering boil is also a suffering, and likewise the consequence of a cause. Cause and effect always define the beginning and end of a harmonious, cooperative, shared, and inseparable **system**; that is, they constitute a conspiratorial **space-time**. To puncture this **systemic boil** is certainly no wrong, neither an insult nor an injury, for in the needle dwells and is found neither suffering nor pain, but only a true friend and goodwill. Pain is found solely within the **system**, that is, in the conspiracy of cause and effect. And nothing frightens a system more than being punctured and exposed. For this signifies its dissolution and thus the end and farewell of suffering. The pricking needle follows a sacred purpose and opens that Gutter from which all pus can then flow out. But where there is no insight, no humility, and no gratitude, the malignant tumor, in its stupidity, arrogance, overestimation of itself, and incorrigibility, imagines itself confirmed, only to then, offended, hurt, and wounded > even as a supposedly disgraced victim < snarl and lash out against the honest **enlightener**. Instead of sincere attention and recognition, **the seer's** wise compassion now encounters noisy hatred and brazenly stupid mockery. This is truly a vast, **Yes**, a very, very vast field; on this blessed field all the secrets and wonders of life, all its riches, are given and bestowed. But whoever does not listen and look will continue to stink putridly, make noise, hate, and lash out. Here, **pus** and **slurry** are meant to be preserved, protected, and maintained through suffering.

Function serves as a masquerade and compensation for the human **evil spirit**. In this way, the externally controlled breeding process counterbalances and balances the stench of its deep decay. This cultivated **evil spirit** deposits the **pus** and **sludge** of its present, toxic depravity in the **cellar** of its **self-house**, in order to conceal and, if possible, neutralize it. Thus, this evil spirit not only blinds every single aspect of its system (a cancerous growth), but also blocks the affected individual's path and access to naturally healthy being, and intrigues them as a disenfranchised, unconscious, and profoundly corrupt **function** into the sinister system of that absolutist rule of its perverse, pseudo-glorious, and transient self-importance. This is done with title and office, with order and ribbon, with crown and rank. All these worthless labels hypocritically only denote that transient existence and the putrid content of the mortal substitute, without even coming close to revealing, replacing, or even compensating for the lost personality, that is, that unknown sovereignty of being, the lost dignity, the true meaning, the inexhaustible richness of comprehensive wholeness, the wise character of sublimity, and the timelessly present **Holy Spirit of life**.

An **Enlightened** individual always acts as a knowledgeable and sincere friend. He neither hates nor incites hatred. **Never! This applies to me and all my work.**

That **system** of **hatred** and **incitement**, **Yes**, this profoundly **malicious perversion**, is fundamentally, always, uniquely, and undeniably found among those who accuse me of it. Its function has been rooted in this ever since. Several legal proceedings of this kind are underway against me, triggered by denunciation, mobbing, and projection. This applies to the **Central Council of Jews**, the **Saxony-Anhalt Media Authority**, as well as to various **individuals** whose perfidious machinations reflect and unleash only that depraved sense of self-righteous satisfaction. And yet, all their efforts are an audible and visible testament to their own certain and inevitable failure. Indeed, these bigoted and hypocritical informers have always embodied and instigated, in constant repetition, that very hate-filled incitement that has since then human history in such a way that its ever-present, noisy spirit of evil has always been directed solely against those who have correctly and fearlessly witnessed and proclaimed that most imaginable malignant rabies of an absolutist, fascist, and bigoted minority in space and time. This fact was not first revealed and confirmed by Jesus of Nazareth. It was not the Roman occupation that condemned him for hatred and incitement, but the disenfranchised Jews. Their spokesman, those Pharisees and scribes, to whom you also belong, **YES**, it was they who denounced the **Seer** and **Enlightener** to the Romans, in order to stir up trouble and rant against him in their own interest and out of bigoted self-interest, to insult him, to demonize him, to humiliate him, to brand him and accuse him; and then to incite the crowd against him, in order to nail him to the cross in the **"name of the people"**, on which he still hangs today.

These are the same Jews from back then, who today are full of hatred and incite hatred against me and others, denouncing and stigmatizing us, thus vilifying all enlightenment and condemning it as injustice, and doing so **"In the name of the people."** I don't know which people they are referring to, because these self-righteous individuals neither named nor presented them to me. In fact, it is definitely the case that a people is being abused here without their consent. They are being raped, dishonored, and defiled; they are being masturbated upon; they are being smeared with the pus and filth of those who believe themselves to be in the right, yet are merely rotting away. They are thus bringing yet another curse upon themselves.

In my texts on enlightenment, I have repeatedly addressed the "**global collective of all peoples and nations.**" Which of these peoples is now suing me? Shouldn't they all be doing so if I were in the wrong? In fact, only the **State of Saxony-Anhalt** is suing me, and it has done so multiple times. That's another reason why the **AfD** is on the rise. **And that is truly not a good omen for the Jews and their Semitism.**

The political smear campaign against me began as a result of a letter I drafted, in which I alluded the slogan "**Right to Work**" to the saying "**Work sets you free,**" who as a humiliating latter as a mocking inscription on the gates of several concentration camps. I placed this "**Right to Work**" in Jewish footsteps as an act of revenge. In fact, I recognize in this a retaliatory tirade of hatred by Holocaust survivors and their descendants, who once helped shape the legal order of the Federal Republic of Germany, also to entrench their hypocritical victimhood in that aforementioned culture of remembrance. I truly call the Federal Republic of Germany a **diabolical hellish ghetto, a labor and concentration camp**, a camp that serves an exploitative minority, which not only enriches itself at the expense of the majority but also masturbates to its own self-righteous victimhood.

Listen, human being.

Every systemic Suffering is learned, cultivated, formed, adapted, hammered in, programmed, rehearsed, shaped, and disciplined. Aside from the karma already present, this renewed external shaping began with the very first breath after birth. No one was interested in you and your true nature, neither your inner self nor your talents or interests, and certainly not your desires and your search. You never truly belonged to yourself, but solely to all those who determined and controlled the ideological stew of that **Spatial-world**, in this potpourri in which you grew up, with which you were fed, with which you rose in the morning and with which you went to bed at night, and with which this mixture clung to all your dreams. **Yes**, all accompanying contact around you primarily served the respective **Ego-system**, that is, its foundation, construction, structure, design and function, in order to build and decorate your personal **Self-house** in such a way that it always and completely corresponded to their self-understanding, and thus they never had to reflect on themselves, and consequently, there was no reason to ever question themselves. You were adapted, drilled, shaped, molded, designed, fabricated, manufactured, folded, crafted, trained, and shod; according to the breeders' sense, ideas, ideology, and needs. You were not only taught the proper way to walk, but also had your **obligatory** footprints embedded in the pre-paved path, and all tracks laid without compromise. Resistance was forbidden, every other path blocked, all other forms of recognition, as well as any outside affection, prohibited under penalty of law.

A judge at the Wittenberg District Court subsequently denounced me to the public prosecutor's office without ever having spoken to me. This all stemmed from a denunciation by the youth welfare office against a mother of three children (aged 10, 15, and 17) for alleged child endangerment. I accompanied and supported this family throughout the legal proceedings. The actual endangerment of the children's welfare was indisputably caused by the incompetent employees of the youth welfare office and the court, all of whom acted pathetically and exposed themselves. A statement from the court-appointed representative, which was supposed to be given to the mother a week before the court hearing, was only handed to the defendant immediately before the proceedings at the district court. The hearing itself was truly a disaster; the social worker lost himself in lies, contradictions, insinuations, accusations, suspicions, and insults. And the judge, at that time nearing retirement, allowed it all to happen, even going so far as to threaten the children, in a personal meeting, with the removal of their mother in an intolerable manner, even turning her against them to put them under pressure. All three boys subsequently wrote letters to the judge, which I have in my possession.

Let me make this perfectly clear:

With that satanic dogma, "**Genesis 1:28**", Judaism not only condemned itself but also all of creation to the most heinous curse imaginable: division and fragmentation. Indeed, absolute evil is rooted in this doctrine and principle, and all evil stems from it. This profoundly depraved and hellish curse of damnation, this defamation of **universal oneness**, this blasphemy against everything **sacred, living, and valuable**, is confirmed and reinforced by Noah's blessing of his son **Shem (Semitism)** and the simultaneous branding of his son **Japheth (Antisemitism)** and his descendants. Shem followed his father and his **idol**, **Yes**, this biblical inbreeding that declared only his **clan** pure and everything else impure, thus exterminating them. Japheth did not agree, but contradicted him and was consequently castrated and branded. **Yes**, in that satanic maxim, "**Genesis 1:28**", all systemic evil in human history is born and cultivated. All hatred and all incitement find their origin here; the thread of space-time was and is spun here. And not only Judaism is subject to and at the mercy of this disastrous curse, but all those who have succumbed to and follow that evil spirit. It is not **Antisemitism** that contains and defines the evil, but **Semitism** alone.

Adolf Hitler copied Judaism. His maxim, "**Today Germany belongs to us, and tomorrow the whole world,**" is undeniably based on the **Jewish-biblical dogma in Genesis 1:28: "Be fruitful and increase in number and subdue the earth."** For the Nazis' idol, the goal was therefore to annihilate all Jews in order to take their place. Adolf Hitler's campaign was thus driven by this delusion. The failure of Nazi Germany, in turn, reinforced the biblical-absolutist megalomania of Judaism, whose mindless St. Vitus's dance was indeed rooted in the demise of Egyptian slavery and subsequently organized, established, and solidified itself in the dance around the golden calf. For the liberated then compensated for their former servitude with that wicked and disastrous doctrine that they intended to preclude any further servitude by henceforth conspires to be chosen and superior, to rise as **idol-lords** over all other national communities, and consequently control them. Thus, wholeness, brotherhood, and community were not only excommunicated but replaced by vengeful mobilization.

Adolf Hitler could never have copied Judaism if it had not existed as an original source beforehand. No, no one can ever imitate, plagiarize, or adopt something that does not given or exist. And even if the original is superior to the copy, this by no means implies that **It** is legitimate, valuable, or credible, or even validated by the failure of the plagiarism.

YES, that dogma "**Genesis 1:28**" is truly a profoundly satanic desecration, defilement, and blasphemy of the inviolable and sacred wholeness of heaven and earth; this commanded sodomy includes, is responsible for, permits, promotes, and justifies the right to possess, subjugate, and exploit all living things, and thus not only ignores but condemns the natural and timeless laws of the spirit of creation.

And however much the Jews hate and incite hatred against me, nothing they can or ever will change the fact that my word holds true in the boundless heaven of the All-Unity and is written in the dust of the timeless earth. The **All-One Creator Spirit** permeates, sustains, contains, determines, and encompasses all life in that predetermined, perfected, blessed, and commanded order, whose womb is inviolable.

Nothing can the Jews' curse do against me, never conquer me. For whoever complains and judges in the name of a people is masturbating against the entirety of the tribe. These are the worst and most far-reaching enemies of a people.

An **enlightened being** and a **seer** always appears and interacts as a knowing and sincere friend. This friend's **wisdom** is truly without **suffering**, without **expectation**, and without **disappointment**.

The child endangerment lawsuit against the mother of the three boys was dropped. The blame now falls on those responsible, for their projection is still present and thus neither resolved nor transformed. This is not easy to understand. But it is like a lie: it remains until the one projecting recognizes it as their own, fully and universally denies it, thereby removing it from themselves and universally dismissing it.

**Right to work
means
Right to exploitation
means
Right to hate and incitement**

I bear witness to the global collective of all peoples and nations:

Antisemitism is not the evil, but **Semitism**. The system of all global misfortune is rooted in this.

I tell all you

If you do not gather yourselves and rise up to put an end to the curse of the absolutist-apocalyptic self-importance of a satanic minority, it would be better, if you had never been born. The thirsty come to the source, not the other way around, for nothing defines humility more clearly and credibly than the water of an inexhaustible spring, timelessly still and bubbling up close to the earth, so that everyone can reach it. I am this doorless spring of water and therefore I do not follow anyone. Whoever resorts to violence is always in the wrong. He will never bring about change for the better. Harshness is always weakness. **Always** > without exception. The Merz system has failed. **Its head is pus, the rest is manure.**

When everything has been said, the word rests in silence

Neither the universe is folkish or the earth. The universe knows neither a Lord nor a God nor a King, and certainly not that dualistic world. The universe's greatness, spirit, glory, content and sense is free, light, holy, penetrating, comprehensive, inexhaustible and intangible. This freedom knows neither a master nor a slave, is before all words and names, without beginning, without end and without becoming. The universe is the unborn master of all masters and is reflected in the empty womb of all living things. This master is the **ALL-ONE** and belongs to no one.

Yes, the the truth is that the **BEING** is not **dual**, but **All-One**, and therefore one Be can never higher and can be more valuable than another to be. There is no other life but life. There is nothing better in the universe than **GOOD**. **Good is enough**. The life of the earth does not belong to any people, but only to that holy greatness that supports the earth as a luminous whole, **YES**, in whose unborn womb it rests united, safe and secure. **Therefore, that** Semitism has been the farthest, greatest and most malicious enemy of all life ever since.

All **creation rests** in **non-action**, because it is Immaculate. Few can this and recognize those implications.

Therefore, I repeat once more that I need no one's recognition or approval.

My silence is whole, holy, and just; and belongs to me alone
