The one Unborn speaks

And I am the voice of universal all-unity

Truly I tell you

**He who makes a beginning,
is without beginning**

Thus:

The Source does not thirst

I bear witness to the global collective of all peoples and nations.

I am here to bring healing and peace to the Earth, holistically and beyond space and time. And no one else, neither in heaven nor on earth, is capable of this.

I know what must be done to end the oil crisis immediately. A single decision suffices for this.

Furthermore, I advise Denmark and Greenland against cooperating with Donald Trump.

For Vladimir Putin:

You should turn to Me.
