The one Unborn speaks

And I am the voice of universal all-unity

I bear witness to you

Rot prevents maturity

Only the lie fears loss

A YES dwells within the NO

Friedrich Merz and his gang will bring about no good. **Absolutely NOTHING**. On the contrary, the political disaster of their coalition will grow to devastating proportions. Therefore, I am prepared to guide and support those who will bring about his downfall.

The leaders of the Left, the AfD, and the Greens should come together in Berlin and seek me out.

The Greens must first come to the serious realization that, until now, they have served only those responsible for all this global calamity. All their rotten drivel cannot disguise the fact that the immaturity of their tactics has changed nothing so far—but has instead deepened every horror. **Rot prevents maturity**.

Egoism is not the way. What can unite you is the **NO** to the status quo. I am the **YES**.
