The one Unborn speaks

And I am the voice of universal all-unity

Truly, I bear to the global collective of all peoples and nations:

Truly, Truly, Truly

**Whoever sanctifies the curse of ANOTHER,
thereby curses his own most sacred SELF.**

Hear and behold, for I bear witness to you:

Semitism is the DNA of Judaism. The First Book of Moses (Genesis) 1:28.

The unrest and riots in France are rooted in—and remain tethered to—the **French Revolution** of **1789**; this **uprising**, along with the guillotine, was subsequently taken over and co-opted by the Jewish minority, that the Revolution has since remained subject to their interests and control. They subsequently used the spoils plundered during the murderous colonial era to finance the global industrialization of Europe, thereby initiating a disastrously imperialistic pillaging of Creation and of peoples and communities across the globe. The current state of affairs on Earth is, truly, beyond doubt and undeniably, an omen, a harbinger, and a testament to that **satanic** curse, a condition attributable solely to the all-encompassing **space-time-terror** of **Semitic** absolutism. Consequently, the unrest, tumult, and chaos in France embody and define a clear and unequivocal uprising, as an expression of that word **antisemitism** which first emerged toward by the End of the **French Revolution**. Ever since, this phenomenon has remained fixed, inseparable, indivisible, and irreversible, a stance that is, in its essence, entirely aligned with, devoted to, and faithful to the universal spirit, will, purpose, and benevolence, and salvation. **YES**, in that very word **antisemitism**, and thus in its **NO** to **Semitism**, there resides more strength, character, sovereignty, and will than in all the revolutions in human history that came before, whether they were of a religious, political, or ideological nature. **YES**, its **sacred** endurance lasts longer than all time and all space. **And whoever sets themselves against it brings upon themselves the most terrible curse imaginable.**

And my word stands.

The **uprising in the East** in 1989, too, carries the legacy of the **French Revolution** and **antisemitism**.

For Johann Wadephul

Listen to me, you absolutist complete idiot.

Anyone who **funds** a war until "peace" is reached knows nothing about peace. They don't even have the faintest inkling of what it is. In truth, someone who—acting as a narcissistic egomaniac—takes the side of one of the warmongering parties is the most malicious fascist imaginable, and the rabid enemy of both sides. All you want is a victory at the expense of a loser. **YES**, you pathetic, dim-witted fool—you're just blowing hot air out of the rectum of a "**Sieg Heil**."

The only answer Merz and Macron can offer is: the internal **combustion engine**! Both of them have long since burned out; they are nothing but cold ash now.

In this **world**, that is, in the **self-space-time** of man-made social systems, there is no political, religious, or ideological resolution to the end-times disaster, neither in Germany nor in Europe nor globally. **Never > Not yesterday, not today, not tomorrow**. And certainly not with force and violence.

Truly, truly, truly

The 2026 Nobel Peace Prize is apocalyptic and nuclear.

I bear witness to all you

Am I humanity's salvation, freedom, and peace in time- and spaceless BEING

And I know:

Without wisdom there is neither answer nor path nor goal
