The one Unborn speaks

And I am the voice of universal all-unity

I bear witness.

I invite Elif Eralp to join me for a conversation.

She should accept my invitation, for I am the only one who can open the path for her.

Ich bitte Spiegel-Online Folgendes weiterzureichen

For **Elif** Eralp

Narrowness never finds expansiveness

Listen to me

Often, just a few words >or even a single short sentence< can reveal more about a person than they themselves are capable of grasping. This applies to you, too, **Elif**. In truth, you are not up to the current situation. And I know whereof I write. Consequently, what I am offering extends far beyond your capacity for understanding >that is, beyond your own perception and how you choose to interpret it.

And so

The vast knows of the confined

It holds true that:

Without wisdom, there is neither an answer, nor a path, nor a goal

And here request, for Spiegel-Online

For the election winners in Serbia

I also offer You my vastness. Under no circumstances should you choose the EU, that is >turn toward its overtures< only to lose yourselves within it. Its democracy is merely a masquerade, concealing an apocalypse behind its facade. Furthermore, the "**rule of law**" is defined solely by **state law** >the law of a system that has long been controlled by a corrupt and accursed minority. This >rule of law< neither encompasses nor defines the **right to life, freedom or peace**; rather, it represents only the logic of an ignorant, arbitrary power, built entirely upon **lies and deceit**.

The rule here is:

**Whoever sanctifies the curse of ANOTHER, he
curses his OWN most sacred thing.**

The same applies to all you as well

Without wisdom, there is neither an answer, nor a path, nor a goal

And my **WORD** rests herein

I ask Spiegel-Online to take note of the following and to forward it to **Elif Eralp**.

So, Elif:

There is a particular phrase you use >one that reveals and defines your failure< which you repeat constantly. I will not quote the exact wording here, as you would likely just avoid using that specific phrase while failing to address the underlying attitude it reflects. It consists of just four words, yet it exposes your base disposition and serves as irrefutable proof of your utter lack of credibility and competence.

"DER SPIEGEL" is not your **enemy**; the real enemy lies elsewhere entirely.

My offer >as a true **friend**< still stands.

Therefore, I say to you, and to all those on the political left:

Without that necessary dissolution, you have already failed—and will continue to fail—from the very outset.

Regarding: Serbia

A request for Spiegel-Online:

For the election winners in Serbia

The uprising in Serbia is on the same level as the 1989 uprising in the East.

The uprising in the East placed blind trust in the so-called >West< subsequently turning toward and surrendering itself to this Semitic curse, only to end up lost within its satanic absolutism. They had broken out of their own camp, only to wind up rotting in a hellish ghetto.

They cast their pearl before the swine to be devoured, >> thus sanctified another's curse.
