The one Unborn speaks

And I am the voice of universal all-unity

For **Elif** Eralp

I bear witness:

Painted lips lie

Truly, truly, truly

When the left shifts toward the right, and the right toward the left, credibility and seriousness meet; in this encounter, they gain the opportunity to reach, together, the goal that lies in the center.

The declaration **>I want to become mayor<** this phrase is, in truth, the dictum of an **impostor**, a **swindler** and an **adventurer**.

Therefore, I advise to all people in Berlin, wherever they may standto turn away from **Elif Eralp**, for she carries nothing upon her lips but the artifice of **vanity**. One who truly holds answers, **YES**, one who is genuinely capable to answer questions and thereby effecting change, he/she will never proclaim what they aspire to **become**; instead, they will simply follow the truth of their own **BEING**. For it is only from within such an enlightened state of **BEING** that the lips of an unvarnished spirit, a person of true stature, sincere character, credible presence, and benevolent-steadfast sovereignty may speak.

Those who are greater than their own words will never paint (masking) their lips.

Truly,

Vanity is always rooted in inferiority and hatred

And all those who hang upon the lips of a **>wish-fulfillment candidate<** they too have nothing to offer but hunger and greed.

Therefore,

Whoever looks only at the lips is deaf to there message

Truly

Without wisdom, there is neither an answer, nor a path, nor a goal

My **Word** holds true, and rests within my silence
