The one Unborn speaks

And I am the voice of universal all-unity

The Shadow

Surrounded by **light** > Seen through by the light
The shadow stirs - or perhaps it does not.

No matter how hard it tries, it will never behold:
The light - not even by chance.

Caught by the light > Enveloped by the light
The shadow drifts - yet it cannot see itself.

Seeking to behold it, it stepped out:
And saw not itself - only light. Its own went out!

I bear witness

In the light, there is no shadow

The light recognizes and sees through the shadow. The shadow is unaware of the light, and therefore believes itself to be the light.

Thus, I bear witness to the global collective of all peoples and nation

Only light perceives and orders
not the shadow

So

I am the **Light**. And if all you **wish** to **live** upon this **Sacred Earth** in wholeness, freedom, and peace, then I am the only **one** who can reveal this to you and bestow it upon you.

Not from afar, but from close at hand.
