The one Unborn speaks

And I am the voice of universal all-unity

Every beginning comes to an end

Only the **timeless** outlasts **time**
Only the **greater** sees through the **lesser**
Only the **light** knows of every **shadow**
Only the **unborn** holds dominion over all that is **born**

All **time** passes **>** Every **space** is limited **>** The **smalle**r seeks upon the horizon **>** The **shadow** shuns the light **>** All that is **born** passes away.

Truly, truly, truly

LIFE is solely of a spiritual nature
Courage is rooted in HUMILITY, never in arrogance
The ANSWER exists before the question
DEATH does not exist
In the LIGHT, there is no shadow

Therefore

In the **SHADOW**, **cause** and **consequence** rage, unbeknownst to the **shadow** itself. Only the **TIMELESS** recognizes the signs of the times, knows how to interpret them, and commands the **answer**, the **path**, and the **goa**l of **transformation**.

Humanity is not the yardstick. It is not **LIGHT**, but **shadow**. The smaller he is, the **greater** it imagines itself to be. **Religion**, **politics**, **ideology**, **currency** and the **economy** are not the **answer**; rather, they are the **cause** and **consequence** of calamity and its apocalypse. This apocalypse is not merely present, it is already well underway.

Thus

The wisdom of the **LIGHT** grazes beyond both courage and arrogance

I do not need all you; rather, **you** need me. Yet, I will not allow myself to be misused. **Furthermore**: he who does not permit himself to be misused, does not himself misuse others. **NEVER**. And for anyone who believes they can misuse me, it would have been better had they never been born. This is what is meant by **WISDOM.**

I tell all you:

Without me, you cannot escape the self-inflicted disaster of your own **hellish ghetto**. There is only one **LIGHT**. **And**, that is both necessary and **GOOD**.

A **spring** does not chase after those who are thirsty. **It could not be stated more clearly or kindly**. Likewise, the light does not run after the shadow; rather, it is the shadow that attempts to flee from the light. Yet, it has no chance. **Where, after all, could it possibly go**?

I am a friend. A true friend. The most encompassing friend imaginable.
