The one Unborn speaks

And I am the voice of universal all-unity

Conditions on Earth will deteriorate drastically. Misfortune and misery will deepen and spread in a cruel manner. Politics will become increasingly perverse, the media will adopt a tragic stance, and the stench of elite decay will shroud everything. Every bit of spatio-temporal energy within your wretched system has been completely exhausted.

I am currently facing several legal proceedings for incitement to hatred, defamation, and dishonoring others. I anticipate that those responsible for this satanic inquisition will, sooner or later, imprison me simply, because I refuse to participate in their **rigged game**. I shall endure their **HATRED**, for in doing so, those responsible are unwittingly confirming that I am right about everything.

I share this only to keep you informed.

In friendship

Anyone who attempts to secure their inner insecurity through external measures, he does not resolve that insecurity; rather, they deepen it. Those who fail to seek out the root causes of their inner insecurity will never be able to resolve it, nor will they ever find answers in the outside world **> not now**, **not ever**. Anyone who does not resolve their inner insecurity remains insecure forever; furthermore, through their cheap platitudes, hot air, malice, calculated maneuvers, deceit, lies, trickery, and hopeless double-talk, they attempt to con the entire universe. **It is the height of perversion**. It would have been better had they never been born. **Politicians who spout hot air and try to corral others are nothing but human refuse**.

Life has no need for money. If life required **money**, **it** would grow on trees. Human beings have no need for money; rather, money has a need for them. Money can only exist because humans believe they need **it**. Systems and functions possess neither intrinsic value nor dignity; having nothing of their own, they adorn themselves with what belongs to others **>** with mere appearances and possessions. The contemporary legal system is the **inquisition of space-time history**, in truth the most perverse form of mafia. The **>**Judeo-Christian Occident**<** is the most malevolent **system** in human history. The apocalypse is rooted in the **Book of Genesis, 1:28**. Ever since, this shadow-curse **>Semitism<** has raged and clamored, driven by the absolutist lie that the Earth belongs to **it**. Because this profoundly **satanic belief** harbors, encompasses, dominates, controls, and dictates the **self-hatred** inherent to the **House of the Jews**, **Judaism** operates under the suggestive conviction that **it** may do whatever it pleases with the living Earth. Within this self-serving indulgence reigns the absolutist, arbitrary power of the **apocalypse**. Thus, the Jew stands as the most malicious enemy of universal life. **Let this be proclaimed to the global collective of all peoples and nations**.

Truly, truly, truly I bear witness to the global collective of all peoples and nations

The one **sacred-healing** step to put a definitive end to the **satanic arbitrariness** of that **absolutist, apocalyptic megalomania** would be the most thorough possible removal of the **Holocaust memorial** in the heart of Berlin. The **Judaism** must examine and clarify for itself who it was that turned **it** into a victim. For the responsibility for this lies solely within, not without. **The Jews are not victims**.

Friedrich Merz's hateful statement some time ago in the German Bundestag **>** that Russia had not attacked Ukraine, but rather all of Europe, is entirely attributable to Judaism; it is, in effect, a formulation of Semitism as a **curse**. This attack against Russia demonstrated then, as it continues to demonstrate today, that not only the **German federal government** but also that **Alliance of the Willing** are, beyond any doubt, **BASTARDS OF SEMITISM**. The clearing of the **Holocaust Memorial in Berlin**, which serves as a **satanic hymn to Judaism**, would pave the way for an end to all hostilities. Should this not occur, the consequence will be nuclear strikes. **And not only against Kyiv. You have been forewarned**.

Merz and his horde need to be gotten rid of immediately. **Deport them to Rwanda!**

War knows no peace. Peace knows no war.

The shadow knows nothing of the light. **In the light, there is no shadow**.

Freedom is formless content.

Sacred is the wisdom of life.

The answer is precedes the question.

Only an empty cup can draw from the spring .

It wouldn't hurt for allyou to include a quote from me in the media sometime!

The war in Ukraine is, in fact and indisputably, yet another crusade by the West against Russia. This assault began on the Maidan in Kyiv and has since followed in an arbitrary fashion, in the footsteps of Napoleon Bonaparte and Adolf Hitler. Friedrich Merz's hate-filled agitation against Russia serves as an unmistakable, undeniable, and irrefutable testament to this rabid, murderous attack. The constant, cheap repetition in the media of the phrase **>Russian war of aggression<** this vague, **wishy-washy** rhetoric is **Semitic** propaganda. And if the Jews do not heed what I proclaim here, then a curse will overtake them across the entire Earth.

I'll tell all you something. Listen **CAREFULLY!**

The fact that the media avoids me like the plague >**Yes**, as if I were a global threat< is the surest indication, the most profound confirmation, that everything I proclaim is indisputably correct, that it aligns with universal truth. **Yes**, all the wisdom of life is rooted in this.
