The one Unborn speaks

And I am the voice of universal all-unity

Listen all and watch

This is an **explanation** for all those who didn't understand the message, the meaning and outcome, of the meeting between Donald Trump, Vladimir Putin, and Xi Jinping in Shenzhen.

So, let me make this clear:

After their meeting, the three of them announced to the world, unanimously and unequivocally, that they neither know an answer nor a path forward, nor can they even define a comprehensive goal. They sat at a large table, but they hadn't brought anything with them, nor was there anything to take away.

They share this certainty with Europe.

Let me tell you something:

Even a cover, or a shell, can be clothed.
