The Eternal speaks

On Monday, September 26th, 2022 at 12:33 pm I wrote:

I'm telling you

You can only have a conversation if you can listen

Volodymyr Zelenskyy, however, believes that he is the only one who has something to say and that everyone else should therefore only listen to him! And because it is, because this muddlehead thinks everyone else has only to listen to him, so he can't listen and as a result only talks to himself. That's why he needs the weapons of those who are just like him!

This way is called Semitism, the worst fascism in human history: "Grow and multiply and conquer the earth"!

So the condition is:

I, Volodymyr Zelenskyi, speak! And that's all you need to hear! And I only hear my echo!

I reveal, witness and speak to the global collective of all peoples and nations

All politics and religion has failed globally Without exception

Listen to me and see

The saying of the day in the Mitteldeutsche Zeitung of September 5th, 2022 read:

„If you're looking for heaven on earth, you didn't pay attention in geography class", by Stanislaw Jerzy Lec!

But I tell you

To find heaven on earth, you don't need a geography lesson, just a look:

So, look here, look at the photo attached: IMG_2152.jpeg, or on Youtube as soon as the video is online:

My finger points to my left foot. I am not just implying that my feet are on the earth, but that where the earth ends, that is where heaven begins. **YES**, exactly there, where my foot is visible and tangible, exactly there, irrefutably, undeniably, unequivocally and highly officially begins the sky, and rises above me into the boundless. So I stand on earth and stand, as it were, in heaven. And just as I walk on earth, I walk in heaven at the same time. And when I lie on the earth, I am bedded in heaven. And when I jump up from the earth for a short time, I jump into the sky. And this applies to everything that is visibly alive, to every breathing being, to everything that stands and walks on earth, to everything that flies, swims and crawls; for every blade of grass, for every flower, for every bush and for every tree! And this sky, in which I walk, this is also the sky of the earth, from this sky she is carried, in which she floats and glides: Loved, embraced and penetrated. The earth is my way and the sky is my home. Here I am at home and safe! And whoever denies me is cursed through himself!

So and verily, verily, verily

My **word** is in the world and is called Written in the dust. No one can pick **it** up and I take nothing back! Everything catches up with you, inevitably and inevitably. All politics have failed. Without exception. If you go with me and turn back, you will experience eternal salvation. Everything else is your problem, your responsibility, your destiny!

I testify in the utmost sincerity and in being-conscious responsibility

I am all retreat's path, target and target-way

I reveal, witness and say to the global collective of all peoples and nations

I am the enlightenment beyond and before all reason, and reach further than all horizons. I contain, define and testify to the universal emptiness before all words and names, and thus reveal the one, only and whole spirit of spaceless and timeless being, the sacred womb of all life.

And I rest in the dust whose smallest grain I have passed through to reach the Eternal bosom, to arrive there, to rise with **Him** and to follow His call. So I am **ONE** in **father** and **mother**, and in **eternity**! So I am out of the world that she is not in me. And I fear neither you nor share your fears with you!

And so I tell you

Only the truth unites. And where the truth unites, there is no submit, no bearing, no enduring, no plugging in, no accepting, no tolerance, no swallowing, no suffering and no getting over it. **YES**, here **everyone** is carried, loved, acknowledged and hugged in **ONE**.

Verily, verily, verily I reveal and testify to the global collective of all peoples and nations

Everything is wrong that does not serve salvation. Man is not the standard. Being divests itself of all self, grazes in the light, needs neither appearance nor possession and outlasts all madness sound and smoke. A personality is only someone who doesn't have one. Big and mighty is only what doesn't tangibly encompass everything! Wisdom is greater than patience. Satisfaction goes further than zeitgeist, dogmatism and unteachability. Life's womb contains joy and bliss, truly timeless in the face of birth, becoming and death. Horizon is always the horizon of the smaller.

Neither names nor titles means more content and weight, because the backbone of a sincere upright attitude. Dogmas, norms and rules require the cadaver obedience of the minors and the disoriented. The mature one, however, stands rocky on the earth, walks steadfastly and safely in the spirit of the Eternal, and never deviates from the light path! That greatest thing is nameless, und dwells in the smallest thing, that only those who step through the speck of dust reach the boundless sky.

Providence is greater and reaches farther than any religion. Religion is footwear, never the path. With the wrong equipment you will never find the entrance to the path. Lies, coins, weapons, violence, ignorance and faith are for every religion, Yes, for every spirituality, a certainly insurmountable barrier on the sacred footpath of the Eternal. The truth never fires its invincible powder, but knows how to blast and tear down every bulwark with its clear and triumphant wisdom.

My word is valid in the boundless sky of the only and sacred universe, in whose bosom the timeless earth is embedded.

And I don't lie. I never lie! And I certainly open up to anyone who knocks on my door. Anyone and everyone!

And don't persuade yourself and don't let anyone persuade you that this is one hate speech. There is no hate in me, not a trace of hate and its excesses. Not even the breeding ground of hate is found with me.

Look and hear

Everything belongs to **everyone**. And because it is so, because it is eternally and unchangeably so, that everything belongs to **everyone**, therefore nobody can sell anything and nobody can buy anything. So, everything belongs to **EVERYONE**.

And it is here Written for eternity

And is it revealed and testified to the German people, as well as to the global collective of all peoples and nations, as Holy Providence, as a message of enlightenment, truth, liberation and Unhurt. Only the return to being and life, Yes the turning to the essence of timeless nature, only this inner path is enough to go through and survive. And is there no alternative of healing transformation. Neither in heaven nor on earth.

And I here proclaim the charter of all global resistance against the hopeless arbitrariness of all political-religious elite.

**Life and Love are enough
because/weil
Leben und Liebe genügen**

And I greet all friends of enlightenment, light, truth, life, salvation and joy. **YES**, I am a lover, a knower, a seer and an embracing one

And I testify to you all

**Long live the earth
Long live the earth without fascism**
