The Eternal speaks

A sovereign is like a compass

Hence and so

I dont lie. I don't lie or to quarrel. I do not lie to you, just as I never, ever to quarrel with you!

Verily, verily, verily I testify to the global collective of all peoples and nations

Life's way is without lies and without strife

verily

Not one hour is good for the day of the liar. He's like a pile of dog shit on the breakfast table. When he says "Good morning," he begins the day with the last lie of the day before. The liar is at odds with himself, this inner war constantly carries and pursues him throughout the day. So he is on the run that his fear never finds peace in the coming. He is never a real friend to himself or anyone else. He doesn't trust anyone because he thinks his self is in everyone else too, so he believes that everyone else is just like him. And is the liar only credible when he reveals it to the world that he is a liar! Otherwise, everyone should not only not follow him, but even avoid him!

Where there is an image of Righth, here inrighth prevails

An image of right is always fake of Righth. Image of right never embodies right, but only and always. Where two or more disagree on principle, here **ALL** are wrong. Where dogmatism fights, here war lies and rages.

Where there is no image of law, true law prevails here

Only the truth speaks Righth. She speaks Righth because neither lies nor strife dwell in her. And so lies and strife fear true law and its principles, **YES**, they fear the light, knowledge and wisdom, they fear deeply that good Sovereign and Comprehensive Friend, who opens the death of lies, the End of war and the way of peace.

A compass does lie and not quarrel

A compass is like a sovereign. Both indicate the correct direction. The compass and the sovereign do not argue. They never, ever argue! The compass does not impose itself, nor does the sovereign exercise coercion. Anyone who needs a compass and consequently trusts it necessarily and without mistrust, He/She will unconditionally agree with him, devote oneself completely to it in order to then be credible in this way.

Truly I tell you

Woe to you! Woe to all the liars and quarrels! Woe to all the lies set by the media and their rushing propaganda. Woe to you, Joe Biden; Woe to you, Olaf Scholz; Woe to you, Wolodymyr Zelenskyi; Woe to you, Wladimir Putin, as well as all other rabid fascists of this perverse proxy war in named Ukraine. Woe to all the satanic global players who knowingly and deliberately kindled the fire of this armed conflict on the Maidan in early 2014. This is a fact, a guaranteed fact, an unshakeable certainty! A certainty, which is just as indispensable to admit as the fatal reaction of the Russian President. Both belong together, both was and are wrong, both are dead ends. Those responsible can indeed themselves and all the immature deceive, i.e. lie and deceive the collective, but never me! I am neither corruptible nor can you appropriate me. Everything catches up to you. All politics have failed. **Without exception!** I know how to set things right, not just like a compass that points the Direction, but rather, as sovereign, who knows how to show the way.

Vladimir Putin and Volodymyr Zelenskyy are wrong, as are all those who agree with their madness! They know neither the answer nor the way. They are loser! They are called lost in their madness. And both must admit their injustice and announce that they want to end the armed conflict!

And ask Ebrahim Raisi, the President of Iran, who supposedly believes that it is up to him to decide how millions of women are to dress, whether he is also called to cover the face of the earth according to his ideas.

And verily, verily, verily

My word is in the world and is called Written in the dust. No one can pick it up and I take nothing back! Everything catches up with you, inevitably and inevitably. All politics have failed. Without exception. If you go with me and turn back, you will experience eternal salvation. Everything else is your problem, your responsibility, your destiny!

I testify in the utmost sincerity and in being-conscious responsibility

I am all retreat's path, target and target-way

I reveal, witness and say to the global collective of all peoples and nations

I am the enlightenment beyond and before all reason, and reach further than all horizons. I contain, define and testify to the universal emptiness before all words and names, and thus reveal the one, only and whole spirit of spaceless and timeless being, the sacred womb of all life.

And I rest in the dust whose smallest grain I have passed through to reach the Eternal bosom, to arrive there, to rise with **Him** and to follow His call. So I am **ONE** in **father** and **mother**, and in **eternity!** So I am out of the world that she is not in me. And I fear neither you nor share your fears with you!

And so I tell you

Only the truth unites. And where the truth unites, there is no submit, no bearing, no enduring, no plugging in, no accepting, no tolerance, no swallowing, no suffering and no getting over it. **YES**, here **everyone** is carried, loved, acknowledged and hugged in **ONE**.

Verily, verily, verily I reveal and testify to the global collective of all peoples and nations

Everything is wrong that does not serve salvation. Man is not the standard. Being divests itself of all self, grazes in the light, needs neither appearance nor possession and outlasts all madness sound and smoke. A personality is only someone who doesn't have one. Big and mighty is only what doesn't tangibly encompass everything! Wisdom is greater than patience. Satisfaction goes further than zeitgeist, dogmatism and unteachability. Life's womb contains joy and bliss, truly timeless in the face of birth, becoming and death. Horizon is always the horizon of the smaller.

Neither names nor titles means more content and weight, because the backbone of a sincere upright attitude. Dogmas, norms and rules require the cadaver obedience of the minors and the disoriented. The mature one, however, stands rocky on the earth, walks steadfastly and safely in the spirit of the Eternal, and never deviates from the light path! That greatest thing is nameless, und dwells in the smallest thing, that only those who step through the speck of dust reach the boundless sky.

Providence is greater and reaches farther than any religion. Religion is footwear, never the path. With the wrong equipment you will never find the entrance to the path. Lies, coins, weapons, violence, ignorance and faith are for every religion, Yes, for every spirituality, a certainly insurmountable barrier on the sacred footpath of the Eternal. The truth never fires its invincible powder, but knows how to blast and tear down every bulwark with its clear and triumphant wisdom.

My word is valid in the boundless sky of the only and sacred universe, in whose bosom the timeless earth is embedded.

And I don't lie. I never lie! And I certainly open up to anyone who knocks on my door. Anyone and everyone!

And don't persuade yourself and don't let anyone persuade you that this is one hate speech. There is no hate in me, not a trace of hate and its excesses. Not even the breeding ground of hate is found with me.

Look and hear

Everything belongs to **everyone**. And because it is so, because it is eternally and unchangeably so, that everything belongs to **everyone**, therefore nobody can sell anything and nobody can buy anything. So, everything belongs to **EVERYONE**.

And it is here Written for eternity

And is it revealed and testified to the German people, as well as to the global collective of all peoples and nations, as Holy Providence, as a message of enlightenment, truth, liberation and Unhurt. Only the return to being and life, Yes the turning to the essence of timeless nature, only this inner path is enough to go through and survive. And is there no alternative of healing transformation. Neither in heaven nor on earth.

And I here proclaim the charter of all global resistance against the hopeless arbitrariness of all political-religious elite.

**Life and Love are enough
because/weil
Leben und Liebe genügen**

And I greet all friends of enlightenment, light, truth, life, salvation and joy. **YES**, I am a lover, a knower, a seer and an embracing one

And I testify to you all

**Long live the earth
Long live the earth without fascism**

I am

The Risen, Nameless, Unnamable, Holistic and Indiscriminate

Anti-Semite, Anti-Christ and Anti-capitalist, so anti-fascist
