The Eternal speaks

Verily, verily, verily I bear witness to you

When Noah cursed Ham's son Canaan, his named grandson (Genesis 9:24-26), at the same moment he cursed himself, all his forefathers, as well as all his descendants, without exception! And this curse of his is still valid today, so it affects every Jew until the End of time!

The Kippa is the symbol of the curse, as a sign of their crowned castration! **YES**, the kippa is the swastika of the Jews, as a logo of their hegemonic claim!

Yes, Judaism is cursed in, with and through Noah, who condemned everything that did not agree with him and did not recognize him!

And Volodymyr Zelenskyy is cursed with him!

Truly, truly, truly

To pass through the speck of dust is to reach the boundless sky

And I rest bedded in the dust, in this my word is written for eternity

And just as Noah's descendants corrupted imperial and royal houses, or once drove the Christian cross before them on their colonial raids, so today this horde of castrated and blind-raging killers uses the colorful flag of Europe for the triumph of their hegemonic megalomania! And while cultural treasures were bagged and exported in unimaginable quantities and sizes at that time, today various natural resources and other resources justify the insatiable greed for coins of that crowned and pillaging minority whose pimps and whores truly select and operate the earth as a private slaughterhouse. Migration and immigration are nothing more than modern slave trade! First, their countries are bombed and reduced to rubble and ashes, in order then to collect the uprooted and disenfranchised as cheap and willing workers.

Truly, truly, truly

To pass through the speck of dust is to reach the boundless sky

And I rest bedded in the dust, in this my word is written for eternity

I am revealing to the global collective of all peoples and nations

Verily, verily, verily I bear witness to you

Hear me and look

YES, since Noah's curse, Judaism has been persecuted and driven by it, **YES**, the Jews are being persecuted and driven by their curse against any resistance. And, to escape their curse, they continue to curse and condemn every objection, counter-argument, refusal, challenge, rebuttal, backlash und disparity. They never question themselves, but reject any dissenting thinking, including any recognition of inner wisdom, as hostility. Noah once cursed Canaan because Ham contradicted him. Since then, the Jew has believed that everyone is an enemy who contradicts him, even if he is a true friend. He refuses any self-reflection because he fears nothing more than meeting his inner curse. Nothing is easier for him than projecting his paranoia onto others and then self-importantly discarding it in the other person! This is Judaism's problem, **YES**, here its satanic self-deception is revealed, its self-inflicted enmity against everything sacred existence, that is, against the spirit of life. Here his perverted and hopeless victim role is exposed, his innermost war against the All-one spirit of holistic creation, his blasphemy and desecration against the comprehensive universe. This is his: "Grow and multiply and conquer the earth"!

Joe Biden embodies Noah, Selenskyj realizes Sem, Scholz introduces Jafet and Putin implements Ham! Netanyahu shines as one of the other syphilis-stricken proles of the Old Testament.

Truly, truly, truly

The Inquisition is the tool of the incitement against all enlightenment of the light. The Jews are responsible for the crucifixion of the Nazarene, as well for all pogroms of colonization, for the Crusades, the enslavement and the persecution through the millennia. They rushing against me too! I'm the only one who can redeem her from her curse!
But they fear nothing more than the Enlightenment that exposes them!

The Jews are responsible for the conflict in Ukraine. But in this campaign of their hegemonic claim, YES, in this rabid injustice, herein truly resides the chance of the resolution of their self-inflicted castration!

If this chance is missed, a nuclear final will follow, for which Judaism is also responsible!

And so speaks the Eternal

The goal is before the way

Truly I am not born.
And whoever believes in me - even if he's dead,
so he will live and never die!

I come to lead you into that vastness,
those beyond hill and dale,
that you should see all wonders and mysteries!

My house brightly lit
The table richly set
Each loaded
Everyone is right with me!

I give everything
So everything is mine.
And only when you give me back
what is mine
only then does it belong to you!

Be frugal and just, sincere and patiently
Be open, but watchful - Calm but clear
Always find back to you
Empty your mind and find the place of stillness
And in the silence of the emptiness I will to call you
So you recognize that I am always with you.

My hand is your hand
What's in my hands, it's in your hands
What carries me also carries you
What I wear, you shall also wear
My hand is the fullness of emptiness
Is the light of the heavy
Is the heaviness of the easy
Is devotion to all that is given
Is the limitless blessing
Is the balm of the earth

The goal is the never-ending way

There is truly only one winner, and that is the one who does not have to win

Truly, truly, truly

To pass through the speck of dust is to reach the boundless sky

And I rest bedded in the dust, in this my word is written for eternity
