The Eternal speaks

Hear me, see and recognize

That turning point in time that Olaf Scholz propagated, this turning point in time was and is the opening of a final killing spree; Yes, the killing spree of a religious-political mafia, whose psychopathic-manic-obsessed elites have been defining the madness and rabies of the time for thousands of years!

Sworn to a global conspiracy, these elites seek to save their yesterdays into their tomorrows, imposing their past on the future and leaving everything as it is, in order to maintain their orgy of self-exaltation and its coronation.

The burial of Benedict XVI was/is the same as the burial of a high priest in the time of the pharaohs. He was buried in St. Peter's Basilica, like his peers once in a pyramid. The Pope is enthroned in the Vatican like the Pharaoh once was! Means: **P**haraoh means **P**ope and **P**yramid means St. **P**eter's Basilica!

This devastating rampage can only be stopped and transformed in, with and through the spirit of inner wisdom, meaning just, resolute, uncompromising and thorough; but without battle, without violence and without damnation!

This requires a gathering of the willing, the upright, and the peaceable.

The Bündnis**Gral** – **H**olistic **R**ight **T**o **L**ife is founded and justified for this. This alliance corresponds to the federal German party law and is recognized by the federal returning officer!

So the collection can start at this hour! Should this take place, I want to lead them as a majority in a testified goal. In the event of negation and rejection, I withdraw from everything and dissolve the alliance!

And my word stands

I am

The Risen, Nameless, Unnamable, Holistic and Indiscriminate

Anti-Semite, Anti-Christ and Anti-capitalist, so Anti-fascist
