The Eternal speaks

Never and nobody will conquer death with the self, neither with lies, weapons, coins or vanity! Nobody and never!
Not yesterday - Not today - Not tomorrow!

Verily, verily, verily I bear witness to you

All life is joy

And here some secrets from me about me and about you

I've always been back to earth. Several of my texts in the "Tao de King" are incorrectly translated or incorrectly assigned to me. A part of me was once called Jesus of Nazareth. Jesus Christ is a satanic corruption of my being. The church is a satanic sewer, full of draindirt and gutter shit; so it has nothing to do with me! Judaism is the worst plague in human history!

So and verily, in and with clear words

Religion, capital and politics that fucks creation and humanity into the apocalypse

Hence and so

The Alliance **GRAL** is the sacred cradle of **enlightenment, light, truth, universal unity, global salvation, certainty, liberation, peace, justice** and **thoroughness!**

Verily I bear witness to you

I knew and know how to choose life, conquer death and witness it!

So

The testimony of my words now rests in silence and my inaction lives in the doing of completion and sense.

Therefore

A winner does not fight! The suffering of all of you is not my suffering and I don't care about know-it-alls!

My word is holy and valid

I Am. And now I rest quiet bedded in the dust, here my word written stands for eternity!

I Am

The Risen, Nameless, Unnamable, Holistic and Indiscriminate

Anti-Semite, Anti-Christ and Anti-capitalist, so Anti-fascist
