The Eternal speaks

And am I the voice of the universe

On Thursday, November 2nd, 2023, at 10:43 a.m. I wrote to the weekly magazine "DER SPIEGEL"

To: "**Sometimes it is necessary to kill to prevent the killing**"

But I ask all you

Is there a difference between **killing** and **murdering**? Who presumes to want to differentiate here? Who is **playing** God here?

I'm telling you

Whoever kills prevents nothing! He murders! A Satan is anyone who plays God!

And says to Interior Minister Faeser

Anyone who forbids is not the answer, but rather overwhelmed with the question! Faeser overestimates himself and feeds disaster! **She's a monster!**

Top conversations come from the bottom! Supposed heralds of salvation shit and fuck everything from above!

And the media distributes the manhole dirt!

And I am grateful that you proclaim my word to those who it concerns!

Following this logic means:

Kill all people and you will prevent all murder. Then there would be no more need for bombs and all stupidity would be wiped out! The rest of creation would then find just peace!

Even if Albert Camus received the Nobel Prize for Literature, that doesn't mean that he was and is right!

Barack Obama received the Nobel Prize for Peace and then launched the drone war, which continues to this day and is becoming increasingly rampant! His peace makes murder more precise and easier today.

I'll tell you all something

You all have no idea how stupid you are

And

Interior Minister Faeser should ban the Central Council of Jews. She would achieve more with this!

Sure, you all can continue to avoid me and only serve the inertia of your self-image!

But sovereignty and seriousness don't work that way!

If you all only speak and write what has been adapted for you, you won't find anything that suits you!

Mass goes in step! Character goes his way!

Fear limps and stinks! There is another way!

Cheap will eventually become expensive!

The Eternal speaks

And I'll testify to allyou here one last time

So gather yourselves together and go with me. Finds a majority with me, not only in Germany and Europe, but all over the earth; i.e. in the west, in the east, in the north and in the south. I offer all you global peace, comprehensive freedom and unifying justice. Holistic living is the only priority. Nothing is higher, is called holier and is more valuable!

So the universe speaks

Man's gods and idols I call his demons

Verily, verily, verily

Ignorance and faith define birth, lies, fear and death!

Birth and death mean beginning and end

Thus and verily

People's thoughts, speeches and actions are temporal and end with them.

Thus speaks the Eternal

I am without birth, without lie, without fear and without death, my being, my word and my silence are embedded in this!

Therefore

Everything without and against me, it ends!

And my word is written in the dust and stands forever

Truly

All names are not mine, but man's work!

My name is
