The Eternal speaks

And am I the voice of the universe

To the statement:

“ **These three goals unchanged to guide** ” by Olaf Scholz, Robert Habeck and Christian Lindner, in the Tagesschau at 8:00 p.m., from December 13th, 2023 (01:10 minute)

I testify to you, and my word is valid in the boundless heaven and on the timeless earth:

Verily, verily, verily

In order to be guided by a goal, the goal must first be achieved !

YES, only those who are present in the given and defined goal, i.e. those who are **One** with the goal, only he can reveal it, make it known, convey it and then, in and with the whole, achieve it! Everything else is, always and without exception, an imagination, a speculation, a lie, a mirage and a delusion, a castle in the air, a chimera, a self-deception, a Glare, a perversion, a wishful thinking, a deceit, a fraud, a deception, a plagiarism, a sham, a betrayal, an adventure, an imposture, a cheating game, a fucking and shitting, a malicious and devastating crime! **According to human rights, those responsible belong in a psychiatric hospital or in prison!**

And I testify to you again

Only those who are present in the given and defined goal, i.e. those who are **One** with the goal, only he can reveal it, make it known, convey it and then, in and with the whole, achieve it!

So that means

Olaf Scholz lies and deceives not only himself, but the whole community! Because that traffic light goal that Olaf Scholz raves about and fools, is not only not really specified in the **here and now**, but not even present as a shadow in the entire universe! In fact, this goal is just a foolish illusion of a deeply ignorant self-image, i.e. the fantasies of a few idiotic trolls, comparable to the Christmas wish of a disoriented toddler to the Easter bunny.

The already prevailing calamity of all the deeply hopeless **enthusiasts and impostors** of that apocalyptic traffic light poker round, **YES**, this apocalyptic calamity announces itself in a cruel, as well as unavoidable way, with those Christmas bell: **"unchanged"**! This word's prognosis not only confirms the future of that non-existent goal, which is already and truly responsible for all the previous chaos, but also assures the whole of a further intensification of all affliction and decline!

Truly

And all of this applies equally and without reservation to the result and the dark final declaration of the Dubai climate conference!

The only thing that connects Berlin and Dubai is: a historical lying disaster!

It is witnessed to all you! And it is witnessed to all you what is to be done!

And my testimony is enough!

Make this known to all cardsharps, jugglers, speculators, Pharisees and scribes

And my name is
