To Frank-Walter Steinmeier

Verily, verily, verily

I warn the Germans about Frank-Walter Steinmeier. I call him the worst possible of the worst. He is corrupt to the core, a bastard of Semitism; a parasite, hypocrite, sycophant and creeper, a henchman of absolute evil. His call for unity in democracy, as well as for hope for a better future, this call for unity, is based solely on his cheap self-image. **YES**, Steinmeier sees his self-world cesspool as a holy place of democracy, and thus defines his inner shit as an autocratic womb for collective unity. Steinmeier's stench is truly worse than bestial, it is unbearable!

You can absolutely believe me, because I know what I'm writing about here!

Frank Walter Steinmeier is a courtier and patron of global Semitism, thoroughly corrupt, deeply cowardly, treacherous, devious and unscrupulous! **He barks without balls with full pants!** He has never known the correct answer, knows neither value nor character! **His feathers are called lies and deceit!** He always distributes his inner self-hatred against those who see through him! Behind his title there is nothing but shit, dog shit that stinks to high heaven!

Frank-Walter Steinmeier not only knows that I see through him, but also that what I am telling the world here is correct. But I know more about him than he does! His end is near and will be terrible!

And further I bear witness to you

Frank-Walter Steinmeier calls for closed unity in his own self-world cloaca, solely for the sake of his vanity, which wallows in office and title and thus asserts himself. **YES**, he needs and abuses the people, not for the sake of the country and its future, but solely to be able to remain Federal President. Because if a majority of citizens wallow in his shit, he can leave everything as it is and doesn't even need to doubt himself, let alone question his self-image! He can continue unhindered in his lies and deceit, and as a result continue to screw everything up! **Everything else is completely indifferent to him, as long as everything stays as it pleases his self-importance!**

Frank-Walter Steinmeier is not only at war with the people, but with **everything** that is valuable and holy! The only thing that counts for him is self-preservation, i.e. his existence in appearances and assets. And there is nothing he fears more than the exposure of his banal perversion, namely the Unmasking of his democracy as a Semitic concentration camp!

And not only Frank-Walter Steinmeier is driven by this fear, but also the entire elite in religion, politics, business, capital and the media.

And my word stands!

And I ask for mediation
