The Unborn speaks

And am I the voice of the universal all-unity

Verily, verily, verily

The unborn is the only friend of all that is born

Only the unborn knows about everything born

Only the light dissolves every shadow

Only the truth knows every lie

Only love conquers all hate

Only pure water is fair

On Wednesday, August 21st, 2024 at 7:00 p.m. I wrote to Der Spiegel:

The cover photo of the latest "DER SPIEGEL" from August 17, 2024 reflects the style of Mao, Lenin, Stalin, as well as the GDR, and corresponds to the new China!

You all have no idea how banal you are! Degeneration predominates in all you; unmistakable, undisputed and irreversible.

So

Today I received a request from a good friend.

reads:

Why does "DER SPIEGEL" project fascism onto Donald Trump, Marine Le Penn, Victor Orban and Björn Höcke, and not onto Biden, Zelenskyj and Netanyahu?

Well then

The answer is: Those from "DER SPIEGEL" are just as as Biden, Zelensky and Netanyahu! But they want to distract from themselves, hide themselves; hypocritically! This means: Biden, Zelensky and Netanyahu are Democrats, i.e. the good ones, the saints! And so do we at "DER SPIEGEL".

Whose overestimation of yourself reflects: **Anyone who thinks differently than us is a fascist!**

It's really simple! For **idiots** everything always seems so easy!

Gerhard olinczuk treustedt

I already testified to all you

All intelligence is always stupid enough to overestimate itself

On Thursday, August 22nd, 2024, I purchased the latest "DER SPIEGEL" from August 17th, 2024, about this article:

"THE SECRET HITLER"

to read through. And I testify to you unequivocally that neither **Robert Kagan**, nor **Jason Stanley**, nor **Timothy Snyder**, nor **Paul Mason** are right in their interpretation. None of them really knows about **fascism!** **No**, none of **them** can define it or determine it clearly. Even if some of their thoughts can be found in fascism, these are still only fragments of their own self and their overestimation. Because what undisputedly connects these four heads, what makes them appear as a fusion, i.e. as a self-aggrandizing, inferior conspiracy, and therefore makes them largely unbelievable, **YES**, this is undoubtedly the incorrigible vanity of their hopeless overestimation of themselves, in the naive desire for the meaningless sovereignty of interpretation.

Man's greatest enemy is the person who exalts himself above his peers

means

The people's only and farthest enemy is their elite leadership

And here is the inviolable definition of fascism

Fascism defines the degeneration of man in his overestimation of himself

Fascism is a facet of humanity, an inner shadow, a guilt-degeneration caused by one's own self. A further, darkening devaluation of his self-born image opens up in his supposed chosenness, which then apparently allows him, i.e. seduces and urges him, to rise above his peers; to subject them to oneself in order to determine, dominate and control them; to humiliate, coerce, abuse, degrade and devalue them; to disempower them accordingly, to systematically corrupt, humiliate, enslave and plunder them; in order to rise, exist, enrich and idealize oneself solely at their expense. As a result, the **fascism** force possessive homage, demand unquestioning obedience, self-sacrificing affection and unconditional loyalty. As a further darkening of **fascism**, anyone who contradicts, disobeys, negates, transgresses and resists is threatened with absolutist hostility, persecution, punishment, funeral pyre, imprisonment, exclusion, dismissal or other loss. All of this in the original sense of the ancestors, in the face of father and mother, siblings, family or clan. Then follow teachers, professors, pastors, Pharisees and scribes. Then there is the pope, the emperor, the king, the leader, the idol, the grand inquisitor, the nobility, the bourgeoisie, the media, the court, the official, the superior, the boss, the colleague, the husband, the Wife, the acquaintance, the party, the elite, the coin or the **ECHO!**

Means: An individual or a minority believes they have the right to determine what is right and what is wrong. **YES**, a few select impostors, exquisite cardsharps and cultivated adventurers determine how the majority, disempowered by self-inflicted fainting, should think, speak and do; how the majority now have to dress, shower, behave and present themselves as well-behaved **YES-SAYER**; what the idolatrous base must learn and what it must unlearn, and what it is to become; what is intelligence and what is stupidity; what is beautiful and what is ugly; what is important and what is unimportant; whose call should be followed unreservedly and whose should be resolutely ignored; who is friend and who is enemy; with what duty he treats the one and with what weapon the other; which norms, rules and laws, which dogmas, beliefs and doctrines now shape, own, determine and control him; which code, which principle, which statutes and guidelines now enslave him, and thus his devotion, his service and his zeal without will, demand conscientiously and piously; which God is the just God, and therefore also his, and which is not; etc. etc. etc.

The origin of fascism is undeniably defined in the Old Testament, **Genesis 1:28**:

Grow and multiply and subdue the earth

The rabidity of this megalomania is reflected in the **dance around the golden calf**; Likewise in **Noah's Ark**, whose devalued the entire creation and thus misused it for himself, solely to sanctify and preserve his degenerate self-portrait; Just like in the **Tower of Babel**, this nightmare failed apocalyptically. This has already been documented in detail in and with me.

Some people believe that they can only escape this madness by acting in the same way and thus worshiping the same evil spirit with like-minded people. Adolf Hitler competed with the ideological formula:

Today Germany belongs to us, tomorrow the whole world

Globalization, hegemony and imperialism, i.e. that copy of **Genesis 1:28**, this megalomania is reflected today in the rabid fight for the global economic sovereignty, and, as a traumatic result, is the cause of the worst fascism in time- and human history - the man-made curse of one indefinable disaster!

A **fascist** is someone who, due to instilled, internal inferiority complexes, needs external recognition, as a result depends on this, and fears loss! Climate change, species extinction, war, flight, expulsion, poverty and hunger, point to and undeniably confirm a global, i.e. earth-wide, **fascism**. This elitist and deeply degenerate fascism has created a hellish ghetto on earth, in which the builders have barricaded themselves in their palaces and residences in order to defend and maintain their beautiful appearance.

Unteachability is a shit-filled toilet with no drain

The medium "**DER SPIEGEL**" is like a toilet full of shit that has no drain. Now, due to unteachability, this toilet is overflowing and stinks to high heaven. And the smell of this pitiful, putrid and unbearable mess is not only attributable to "**DER SPIEGEL**", i.e. its codex.

And a toilet full of shit without a drain, this defines fascism

This week in the weekly newspaper "**DIE ZEIT**":

Our children are not doing well

Scientists warn of the psychological crisis facing an entire generation of children

I'm telling all you

This is not just a crisis, but a tragedy. This tragedy reflects not only the immorality of education, but also the evil spirit of fascism in the system of democracy, which is only a mask!

I'm telling all you

The revolt in the sixties affected Springer. This time it will affect others, and there will be more. Much more! And it will only affect the guilty, not the innocent! It's more serious than the titular idiots upstairs can even imagine! busybodys and turncoats of a supposed turning point have had their day! Olaf Scholz is a criminal against the people, a liar, an impostor and a good-for-nothing. This also applies to his entire Attachment!

Now to the saying on Bayerntext, board 501 from August 22nd, 2024!

Intelligence is the ability to accept one's surroundings.

by William Faulkner

This statement is not only idiotic in itself, but devastating, and reduces intelligence to absolute stupidity!

Listen and look:

Anyone who accepts their surroundings cannot and must neither contradict nor deny them. **YES**, he not only surrenders himself to the named environment, but he adapts, submits and disempowers himself. He not only evades all responsibility, but also follows and uses the given structures, rules and forms. He puts a muzzle on himself, as well as handcuffs and ankle cuffs. As a result, he cannot criticize anything, address anything, change anything, move anything. His is blind, deaf and mute, and he sits in a wheelchair! **Bravo!**

The statement would be more correct:

“Intelligence” **is the ability to take note of your surroundings!**

The difference is truly enormous, a quantum leap, since knowledge is more than just a superficial look! **Take note is not the same as acceptance.** But everyone has to recognize and experience this for themselves! The word intelligence then also finds itself in the larger, meaning it dissolves into it, like a stream in the river!

And also the saying in the Bayern text: 501, from today, Friday, August 23rd, 2024, is a catastrophe:

Love is the decision to affirm the whole of a person, the details may be whatever they want.

by Otto Flake

This is not right! Correct is: The lover is like a true friend who never acknowledges the enemy in people, because because then they would not be able to have a healing effect on them. **NO**, love does not affirm hate or lies, neither violence nor war, and certainly not fascism, which it always and ever, uncompromisingly and thoroughly denies everywhere.

Correct is: **Love** is the decision never to curse people, even if they have to pay bitterly for their wrongs! Because some people will wish they had never been born! But it's of no use to him!

Verily, verily, verily

No one is called more miserable, uglier and worthless than the one who believes he is worth more than others.

And I here proclaim the charter of all global resistance against the hopeless arbitrariness of all political-religious elite.

**Life and Love are enough
because/weil
Leben und Liebe genügen**

And I greet all friends and girlfriends of **enlightenment, light, truth, life, salvation** and **joy**. **YES**, I am a lover, a knower, a seer and an embracing one.

Yes, live the EARTH

without **Semitism**

I AM. And I lie bedded in the dust - herein my word written stands for eternity.

And my word stands the boundless heaven and on the timeless earth!

And my name is
