The Eternal speaks

And am I the voice of the universe

Verily, verily, verily

The lie is the center of the world

The lie stands **stupidly and cowardly** against the light of truth and casts a shadow, which is nevertheless surrounded by light, and the shadow can never escape this light. The shadow is the world of **LIE**, in which **SHE** is hopelessly caught, and she can only escape this shadow if she faces the light of truth with insight and bows to it in humility.

The lie is weak and uncertain, and its power is temporarily limited. She consumes and wastes all energy solely to maintain itself without being able to regenerate itself. The more time she spends, grinning passionately, hiding and protecting herself, the more herself impotence consumes and exhausts, the more eagerly her rot thickens, the more breathlessly her stench spreads, the more impetuously she achieves her failure, the more brutal the inevitable, and yet decline will hit them more cruelly!

The lie rot is like a cancer cell, which destroys its host as a tumor **>Apocalypse!** This always applies on a small scale as well as on a large scale. No lie escapes this inevitable consequence. Only the truth has style and character, but not the lie, which always comes across as cheap and ugly, no matter how hard it tries to appear graceful and clever. All lies try in vain and pointlessly to decorate their banal, anemic, trivial and stale appearance with even a hint of sovereignty.

Truly

Neither the lie nor its world can be improved. Anyone who is stupid enough to believe that they can improve the world and then tries to do so darkens the lie and worsens all the consequences of the rot. Faith is the ignorant breeding ground of lies, and hope allows the shadow space and time, thus approving the lie, thus feeding its rotten darkness and deepening calamity, visitation, scare and ruin. Hope is the most cowardly flatulence of stupidity, which not only misses every opportunity, but boycotts and prevents everything the maturation!

YES, hope is a rotten egg of lies, a trap for stupidity, a muzzle for doubts and contradictions, and a warning sign of the Inquisition, as a punishing authority, which defends the home-made rot with dungeons, fire and sword against all resistance, and with the most perverse and absurd means blesses, sanctifies and secures!

STUPID-cowardly sits, poops and blows from the rotten branch,
and if it breaks, **HE** falls into his **own brown pile of shit!**

Truly

The entire Western political elite, i.e. all the leading figures of the aforementioned Democratic Alliance, they all are incomprehensively and without exception failed and rotted. I therefore not only demand the absolutely necessary and beneficial resignation of Joe Biden, Benjamin Netanyahu, Volodymyr Zelenskyy and Olaf Scholz, but also the overthrow of the entire world elite! This would not only certainly and irreversibly open the path to peace in Ukraine and Gaza, but would also put an end to all harm and suffering on earth! **This needs to be opened in Germany.**

And you all be now ready, to open and walk this path with me in the named Germany, so I am called the **first** and the **last** of this necessary, holy and healing possibility!

And am I ready to then define and direct the destinies of all people towards **salvation** in a goal-oriented manner!

And my word stands!

And my name is
