The Unborn speaks

And am I the voice of the universal all-unity

I wrote at 00:50 AM

I tell you,

Those who are recognized internally do not need external forgiveness. And whoever believes that he or she must or can forgive, he will never experience forgiveness. **Never.**

On Ukraine

Only the resignation of Volodymyr Zelensky, **YES**, only his renunciation, this is the fundamental prerequisite for a lasting ceasefire in Ukraine, as well as for the peace process that emerges from it and with it.

On the Middle East

Only the resignation of Benjamin Netanyahu and his genocidal mafia, **YES**, only their political death and decay, will pave and open the way to true peace. If Netanyahu resigns, all existing hostages will be released, and Hamas will then disband. There is no two-state solution. **Never.**

On Friedrich Merz

New elections should be called in Germany before this psychopath takes office. **YES**, there must be new elections.

To the German people and the people of this country

I call on the German people to unite in the **AllianceGRAL**. I urge the awakened and maturing youth to distance themselves from all ideological parties. I urge all associations, organizations, and factions of the political resistance to comprehensively and seriously reorient themselves and to contact me. The federal election in February halved your share of the vote. This indication was and remains clear, distinct, and thorough.

I advise and instruct the media to find and express an open and upright attitude in their encounters with me. And you should stop ranting against Donald Trump and instead try to understand him. The fact that this is difficult for you is because you don't reflect. Nothing reveals and testifies to weakness and stupidity more clearly than rantings.

I bear witness to humanity

Only an empty Chalice can draw from the source

I draw from the luminous spirit of the unborn, from the holy abundance of that spring-fountain of all being, the pure and untouchable water of life. I am and proclaim that enlightenment which opens, extends, and bestows the clarifying answer to every essential question. **YES**, I am to transform the evil spirit of darkness, to dissolve the world of lies, confusion, and delusion, and thus to end all injustice and its evil on earth forever. And I am the only one in heaven and on earth capable of doing this. So far, you haven't really listened to me, and things have gotten worse. But if you **continue** like this, things will get even worse.

In an empty cup, there is no faith, no religion, no church, and no pope; just as there is no ugly rot, no decay, no mold, and no other feces.

An empty cup is the Holy Chalice of Life, within which lies all the richness of wholeness, responsibility, joy, and bliss.

Tell this to the Pope, this blasphemer and hypocrite. And let him know that his time is up, and it would truly be better for him if he had never been born. Nothing has been forgiven him or Christianity, nothing of all the truly murderous evil of their absolutism, which maliciously carried and drove the madness of conquest and colonization through history to this day. Nothing of all the satanic-diabolical malice has ever been forgiven the Judeo-Christian West.

It is your evil spirit that once nailed Jesus of Nazareth to the cross. Christ owes his sin to the curse of your corruption, and in it he will perish forever.

Truly, Truly

Please ask the Pope if he truly believes that Jesus of Nazareth threw his pearl, that is, "his life," and thus his most holy thing to the swine to be eaten? Ask him if he truly, truly believes that?

And then tell him the following, even if he neither recognizes nor understands it.

Tell him that everyone, absolutely everyone, who prays for him, that this one truly throws his most holy thing to a swine to be eaten.

Truly, the Pope was given another chance.

But he gambled it away, thus preserving his curse and taking it with him.
