The Unborn speaks

And am I the voice of the universal all-unity

On Saturday, April 26, 2025, I wrote to the "**Mitteldeutsche Zeitung**"

Regarding today's "Thought for the Day," April 26, 2025:

I still believe that humanity will one day prevail" by Andrea Rosenstolz

But I tell you:

Salvation (victory) resides neither in **Faith** nor in **Hope**, and certainly not in **Becoming**. **NO**, in these **Three**, the rotten egg-laying of illusion, chimera, and delusion is simply and constantly repeated.

I know what I'm talking about. And my word is valid.

But you, you can't even define the word „**Humanity**."

"We are responsible not only for what we do, but also for what we don't do." By Jean Moliere

But I tell you:

This saying is easy to misuse, because it says nothing about the worth and meaning of the person who does or doesn't do something, and certainly not about whether they even know what they are doing or not doing. Many people wake up in the morning with a lie and go back to bed with it in the evening. They are sustained, determined, and controlled by lies. They spread only the stench of their decay, but nothing of worth or meaning.

Truly

Immaturity is neither a virtue nor a character

Faith, hope, and becoming are the playing cards of imposters, adventurers, and Imposters.

Anyone who is underage is certainly responsible for this, just as they are responsible for not doing anything about it. A liar is responsible for each of their lies, just as they are responsible if they don't stop. Anyone who affirms and uses violence is certainly responsible for this, just as they are responsible if they don't question the violence and themselves. A child molester is responsible for their actions, just as they are responsible if they don't stop their perversion.

Anyone who shifts responsibility for their actions onto others is responsible for this, just as they are equally responsible for not seeking responsibility for their actions within themselves. Anyone who declares genocide, murder, and manslaughter to be legal and practices them is not only responsible for this, but he also grants this to everyone else, and to use it against him self. Anyone who elevates themselves above their own kind is a bastard, and if they leave it at that, they will remain a bastard.

A rotten apple never belongs to the community of the ripe.

A liar always conspires with his own kind. Rot to rot, stench to stench, decay to decay.

I tell you,

Con artists, adventurers, and fraudsters are more perverse than perverse. They are the pinnacle of decay, **YES**, the absolute plague. Their meaning makes noise beyond responsibility. Merz and his mafia are among them. They don't even have the slightest idea of responsibility. They follow only the stench (instinct) of their decay.

The con man, adventurer, and fraudster Olaf Scholz always reminded me of a market crier at the Hamburg fish market throwing around dead fish. Merz is even worse. He distributes fish bones and entrails.

Truly, truly, truly

Only an empty Chalice can draw from the source

I draw from the luminous spirit of the unborn, from the holy abundance of that spring-fountain of all being, the pure and untouchable water of life. I am and proclaim that enlightenment which opens, extends, and bestows the clarifying answer to every essential question. **YES**, I am to transform the evil spirit of darkness, to dissolve the world of lies, confusion, and delusion, and thus to end all injustice and its evil on earth forever. And I am the only one in heaven and on earth capable of doing this. So far, you haven't really listened to me, and things have gotten worse. But if you **continue** like this, things will get even worse.

Immaturity is neither a virtue nor a character

Verily, VERILY, I testify to the global collective of all peoples and nations:

Only the sober wholeness of the Earth is **Holy**, not the drunken-degenerate world of religion, politics, ideology and money.

So

Verily, VERILY

SOBER counts, not drunk

The elites are by no means sober, but rather deeply drunk with madness and delusion.

And

My word is valid in the boundless heavens and on the whole earth, everywhere, beyond and opposite space and time.
Yesterday – Today – Tomorrow

Am Montag, dem 12.05.2025, um 15:56 Uhr, schrieb ich:

Ich ankündige eine Botschaft **zur** tollwütigen Willkür jener "**Allianz der Willigen**", innerhalb von 48 Stunden

Diese Botschaft ist wichtig für Wladimir Putin.

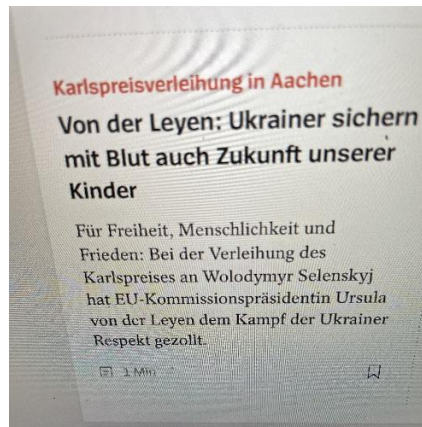

Wahrlich, **WAHRLICH** bezeuge ich dem globalen Kollektiv aller Völker und Nationen:

"Allianz der Willigen" heißt "**Mafia der Bastarde**"

Today, Wednesday, May 14, 2025, I write

Reference: „**Humanity**“

The Original of the letter includes a photo of the Charlemagne Prize being awarded to Volodymyr Zelenskyy for freedom, humanity and peace. EU Commission President Ursula von der Leyen made the following remarks: **Ukrainians are also securing the future of our children with their blood:**

But I tell you

It couldn't be more pervers. For his definition of the word „**humanity**“ testifies that the blood of all Ukrainian „**people**“ is truly worth less than the blood of German „**human children**“. Consequently the sacrifice of the inferior is honored by the superior, and defined it as „**humanity**“, this „**humanity**“ serves the peace and freedom of Europe. **Colonial self-glorification really couldn't be more perverse.** Germany and its children must live, even if Ukrainian children die for it. (The war memorial in Hamburg sends greetings)

That satanic political whore Ursula von der Leyen, and all the other political bastards, including Volodymyr Zelensky, will answer for his bestial perversion of their murderous mentality at the appropriate time. They all embody the evil spirit of **colonization**, this colonization that, for millennia, slaughtered everything that opposed its freedom, its humanity and its peace, thus its discipline and control. For only its freedom was holy, only its humanity was worthy, only its peace was just.

Colonial humanity

The Calf, Which Shines,
On a golden throne;
This bastard defines,
Only Satan's Semitic son.

This evil spirit was Born,
In darkest masturbation;
Bound to religion,
To that madness of hegemony.

The Jew and the Christian,
Sewer filth and gutter shit;
Addicted to capitalism,
At the price of immaturity.

Their idol is called the Pope,
Self-pity is his altar;
The god of the willing,
His blessing is nuclear.

Stagnation and hope,
Built in discipline and threat;
Arrogance and cheating,
Staked in failure.

Succumbed to Semitism,
Logic, victory and megalomania;
That alliance of the willing,
The Jewish-Christian clan.

I tell you

The supposedly good are the truly evil

And I tell you again

Threat means evil's breeding, chastisement, and control

For Vladimir Putin

It is those brief moments, just a few words and seemingly minor incidents that reveal the inner rot of an immature person, that characterless stench of inner wickedness and cunning. Only a few have an ear for it or a discerning eye. Con artists, adventurers and card cheats know nothing of the unconscious stumbling blocks of their drunken self-aggrandizement, nor oft he revealing horns of their inner demons. For those who threaten are profoundly disoriented and overwhelmed, in no way in control oft he situation, and therefore seek to enforce control, thus contributing tot he escalation of every conflict. Angela Merkel, Ursula von der Leyen, Frank-Walter Steinmeier, Olaf Scholz, Friedrich Merz and countless others; **YES**, they have caused more havoc in just a few years than others have in decades or centuries before.

Breeding, chastisement and **control** define the satanic, murderous evil spirit of colonization and ist inquisition throughout the millennia. This idolatrous evil spirit was born in the Old Testament of Judaism, without salvation or peace and brutally reinforced in the New Testament.

This „**Alliance oft he Willing**“ undoubtedly embodies and defines the „**Alliance oft he Biblical Colonialists**“, that is, that satanic semitism whose evil spirit dominates, directs, and controls the „**Judeo-Christian West**“ tot his day; and this behind the mask oft he so-called democracy,

Breeding, chastisement, and control form the basis oft he Tower of Babel

The papal blessing „**Urbi et Orbi**“ is also owed tot his „**Tower of Babel**“, that is, tot his globally intoxicated hegemony, and thus also applies to Ukraine, as the Trojan horse of the Western alliance. This „**Trojan horse**“ also defines itself as a **drainage system** for the Semitic evil spirit, which has been pumping ist millennia-old sewer of colonization ever further into the East since the French Revolution. With Merz, Macron, Starmer, and Tusk, the stench oft the plague is now growing even stronger.

The thrat oft he „**Alliance oft the Willing**“ to impose further sanctions (punish, chastise) for Russia ´s Refusal is due tot hat unmistakable evil spirit that, at the beginning of 2014 on the Maidan in Kyiv, not only threatened an armed assault on the presidential palace, but also armed ukraine with weapons of war in the years that followed. The now newly born „**Alliance of the Willing**“ testifies to the world onceagain that this colonial West, beyond doubt, quaranteed and proven, once provoked the spiral of aggression and violence on the Maidan in Kyiv. The bastards responsible remain unwilling to engage in self-reflection, but continue to bless themselves in supposed infallibility. This idolatrous evil spirit of colonial hegemony was born in stupid and brazen confusion in the **Old Testament** of Judaism aad then, withut salvation or peace, underpinned in the **New Testament**. The madness that results from this and from this is purely human-made.

This „**Alliance oft the Willing**“ undoubtedly embodies and defines the „**Alliance of those biblical colonialists**“, that is, that satanic Semitism whose rabid and incorrigible evil spirit dominates, directs, and controls the „**Judeo-Christian West**“ tot his day; and this behind the mask of so-called democracy. That these immature bastards are the greatest enemies of democracy is revealed in their pathological compulsion to overestimate themselves and want tob ban the AfD. These fools have not yet internalized the fact that the people are this so-called democracy and, with a pre-elected majority, can and may even change or abolish the constitution. The agitators are indeed not democrats, but fascists who lean on the Nazis.

A personality is only one who neither has one nor needs one

There are very few of these. Volodymyr Zelensky is certainly not one oft hem. He must resign unconditionally and call new elections. This ist the first and only step towards lasting peace in the spirit and meaning of sovereignty. He should never have accepted this award, never have allowed himself tob e co-opted and corrupted by Joe Biden, Olaf Scholz, Ursula von der Leyen, Emmanuel Macron, and other imposters, adventurers, and card-swindlers. Character and credibility stand and go differently.

In the Standing lives the first step

This applies from the first breath to the last. Only those who have mastered standing can and will take the first step. But it takes a lot of courage to interrupt their walking and remain standing. And whoever is prepared to do this, only they will then experience the first step that follows. For only those who remain standing can subsequently fathom and justify the direction of their further walking. And only then will they recognize whether their previous path was their own, or one prescribed, taught, ordered, commanded, forced, or determined by others. The immature orientates themselves outwards and is called Lost; the mature always followst he inner path and is called Found. True sovereignty stands and walks on firm ground, and everything flows with it.

So Vladimir

The answer is in you. So does my friendship.
