The Unborn speaks

And am I the voice of the universal all-unity

On Monday, May 19, 2025, at 9:18 PM, I wrote to ARD.

For the **"Quote of the Day"** > Videotext: Page 401 of today, Monday, May 19, 2025:

"We know what we are, but not what we may become" by William Shakespeare

But I tell you:

The wording here is wrong; possibly also a mistranslation.

It should read:

"We show what we have become, but we don't know who we really are."

or

We seem to be, but we are not true.

or

We are drunk, not sober.

or

Yes, we are raised, bred, programmed, corrupted, controlled by others, and sick, and we don't know how to heal ourselves.

or

We exist, but we are not.

or

We are torn, not whole.

or

We believe, hope, and think, but we don't know.

or

Look what we have allowed ourselves to become without contradicting ourselves.

or

We walk without knowing how to stand.

I tell you

Even if the news anchor on today's Tagesschau (8:00 p.m.) speaks of a Russian war of aggression three times within just a few minutes, the West is by no means becoming more credible, but actually less credible.

YES, those who want to convince fear losing their supposed credibility.

Conviction is a mental rape. The convinced never proclaims their own views.

The convinced must convince in order not to have to question their own convictions. This is the principle of the immature.

Those who want to hammer something home already have the nail in their head!

This is a message for Vladimir Putin.

So, Vladimir

I know the answer to how you can end the conflict in Ukraine without being considered a loser, and even emerge victorious in the end.

However, I will not announce this publicly, but only in a personal conversation.

If you are seriously interested in this, you must take the necessary steps.

I am thinking of the three lilies here. This is just a hint.

The Vatican has never been the answer. Quite the opposite. It only wants to save itself.

Friendly,

The supposedly good ones are the truly evil ones

It was reported here that Donald Trump publicly told Friedrich Merz that both parties (childish people) in the Russia-Ukraine conflict are to blame. Merz contradicted Donald Trump and described Russia as a threat or aggressor. Merz is following the Logic "Whore and Pimp versus Saint", thus declaring himself holy, while at the same time only testifying to personal interests, which, for him, are more important and valuable than life and responsibility.

Donald Trump's deeper insight was a true challenge to the narcissistic Merz, a stumbling block he was nowhere near able to overcome, so much so that he stumbled headlong into his political grave and is still falling. His visit to America is worth nothing more than a Gravespeech. Merz is a high-flyer, a self-important, an adventurer and a Card-sharp, truly a yapping dog on the leash of Semitism, thus in Jewish hands.

Reference: Tagesschau from Tuesday, 03.06.2025, at 20:00, minute > 1.09 to 1.12

Here, Friedrich Merz spoke about room for maneuver in the context of migration policy (twice). Merz publicly testified that he is a player who plays dirty tricks in the political arena. He thus also testifies that he is not a human being. He doesn't even have the slightest idea what a human being is. Because a human being is a person who does not play with his own kind. And Friedrich Merz cannot define this size. Donald Trump may not be able to do this either, but he is still intellectually far superior to Friedrich Merz. Merz is merely a bred function.

YES, it's often just a few words in a short sentence that reveal a person's most abject Decay corruption. Not only Donald Trump now knows about the stench of his opponent, about the disorientation and helplessness of the German Chancellor Merz, and thus about his exposed weakness and corruption, **YES**, about the untrustworthiness and unreliability of this False player. Europe and the rest of the declining world now know this too.

Friedrich Merz should resign immediately. All his efforts are ineffectual and ineffective; his self-serving behavior is pure waste of the people. The same applies to Volodymyr Zelensky.

Truly, truly, truly, I reveal and testify to all you.

**I am the path and the Wooden walkway,
the bridge and the way**

And my word is valid, in the boundless heavens and on the whole earth.

Therefore, the German people will have to unite to follow me alone. There is no alternative to salvation.

And I ask for mediation to all those affected.

And am I the voice of the universal all-unity

Reference: Margot Friedländer >> What I ask you to do: **Be human**

Did Margot also proclaim what a "**human being**" is? Was this question asked of her at her rallies, and had she given also an answer?

Did she truly believe she could define humanity? Did she see herself as a human being, as a standard, a yardstick, a norm, an ideal, and a guiding figure?

Look into her face, look into her eyes! What do you see there, what do you recognize?

Listen and look, for I want to proclaim here what I see and recognize in this:

Well, I see in this the self-inflicted martyrdom of the Babylonian camp, **YES**, all the sufferings of that inner, Jewish hell-ghetto, that is, the self-inflicted torments of the exalted, hypocritical and blasphemous-biblical tower building, whose devilish masonry, as an idol temple of imposture, blasphemy, self-aggrandizement, self-importance, wickedness, sacrilege and cheating, the many millennia-old history of Judaism reveals and testifies solely and beyond doubt as satanic madness.

I truly recognize and see through Margot's utterly wailing self-pity, as well as the constant and tireless defense of her victim role, which not only profoundly rejected any self-reflection but also deliberately placed all responsibility outside of her. Therefore, she remained in that inherited camp until her very last breath and never truly escaped. In fact, she had already spent time in that camp before being deported to the Theresienstadt ghetto. **The first is the cause, the second the effect.** The invisible injustice is followed by the visible consequence. And yet, and precisely for this reason, the answer is more important than the question. There are only a few who can or want to follow me here. And yet, if even just one person in heaven and on earth recognizes me here, this is more significant and weightier than if everyone else doubts, rejects me, refuses to accept me, thus negates me, turns away from me, or even fights me.

YES, this is what we need to explore, because all suffering has its roots beyond the horizon.

The Providence allowed Margot Friedländer to survive for a long time, thus not only giving her the chance, but even imposing on her the healing task of facing her past soberly, in order to find healing answers for resolution, instead of wallowing hopelessly in the self-pitying delirium of the victim role. **Yes**, the aforementioned family was taken from her entirely, because it was necessary to negate their presumptuous, evil spirit in order to find that spiritual affirmation in which she would be forever welcomed and blessed. Not only did she refuse this challenge, but in its self-pitying victim role, it actually allowed itself to be elevated and abused. Instead of seeking insightful answers to enlightenment and purification within itself, opening them up, and subsequently passing them on to Judaism as an upright figure (family), it allowed itself to be abused by the Central Council of Jews solely for the sake of recognition and honor. Instead of leading the way as sovereign, she, deeply disenfranchised and subservient, served the satanic wickedness of its intoxicated tribe.

She followed the duty of hypocrisy, maintaining it as her highest commandment. All apparent recognition and feigned honor remain safe for her.

Margot Friedländer was no saint. She didn't even know what a human being was. Her plea to her listeners was more like asking them what a human being is?! Her call to "**Be human**" therefore means: Model human beings for me so that I can orient myself accordingly. This, however, changed nothing about the perversion of her victim role, which she celebrated in an exemplary, devilish, abysmal, and disastrous manner. Her hypocrisy, which was constantly illuminated and underscored in the blinding spotlight of the hypocritical media, even after her death, this hypocrisy is the height of political depravity. **YES**, all perversions of abuse and blasphemy are depicted and projected here. All those involved have effectively buried themselves as spiritual corpses.

Here is the field of the living, and there is the dumping ground of the mortal. Here is the light, there the darkness. Here is the sacred creation, there the toxic world. Here is truth, there the illusion. Here is BEING, there the self. Here dances life, there rages death. Here is love, there hate. Here is the spirit, there is materialism. Here is DaSein, there is existence. Here is bliss, there evil. Here silence soothe, there the coin roars. Here finding carries, there losing falls. Here sobriety prevails, there drunkenness. Here character blooms, there deviance puffs up. Here responsibility guards, there arbitrariness rages. Here wisdom rests, there stupidity marches. Here maturity walks, there immaturity paralyzes. Here maturity arises, there decay pursues. Here harmony dwells, there rabies breeds. Here awakening thrives, there decay runs rampant. Here the answer delights, there the question masturbates. Here is transformatxion, there littering. Here is arrival, there decline. Here knowledge thrives, there illusion flourishes. Here is man's heaven, there the monster's hell. Here knowledge acts, there violence reacts. Here salvation reigns, there suffering pervades. Here peace orders, there war controls. Here providence clarifies, there stupidity reigns. Here community makes peace, there the bastard fights. Here live all kinds of livestock, there only vermin dwell. Here mankind settles, there the idols reigns. Here insight, conversion, and prosperity accompany one another, there desecration, depravity, and incest expand.

Truly

A also-human is not a human

A human is and is called someone who knows himself to be a spiritual being.

A human is and is called someone who knows about the greater and grazes in the field of the living. He will never raise a weapon against his own kind and wage war. And he will never take sides with a warrior. He who affirms war is not a human. He is not even a kinds of livestock but a toxic vermin, a mutation > a bastard.

A human is and is called someone who recognizes life as more valuable than coin, possessions, profession, title, education, appearances, and assets. He who does not know this is neither a human nor is he called that. He is not even a kinds of livestock but a toxic vermin, a mutation > a bastard.

A human being is someone who knows his responsibility for everything he thinks, says, and does, just as he also knows his share in everything that happens to him. Anyone who doesn't know this is neither a human being nor is he called one. He isn't even a kinds of livestock but a pest, a mutation > a bastard.

A human being is someone who never indulges in violence against his own kind. The perpetrator of violence is never a human being. He isn't even a pest, but a pest, a mutation > a bastard.

A human being is someone who knows his limits (horizon) and knows how to remain silent where he shouldn't speak, so that he can listen.

For Friedrich Merz

You are not a human being. Also you are not a kinds of livestock but a vermin > a bastard. A kinds of livestock is always sovereign and requires no training in its ways. The training you received prior to the meeting with Donald Trump proves beyond doubt that you are by no means a sovereign, but a bred ape **YES**, Friedrich, you do not have yourself under control, > you do not master your existence, > you are not equal to what is given, > you are smaller than all unknown magnitudes, that is, than all unpredictable presences. You can never lead the way because you do not stand on your own two feet. You are not silent where you should be silent but transfigure with another's voice. You are a dog on a leash, obeying and following its master.

For Benjamin Netanyahu

You are the worst vermin imaginable > a toxic bastard. And you were already that bastard even before Hamas took the hostages. You and your pack of vermin are the real terrorists, those who abuse Hamas's terror to sanctify themselves. You are the real **Sodom and Gomorrah**. Yes, Benjamin Netanyahu, you and your ilk are the worst vermin imaginable. And this applies also to all who adhere to and agree with your evil spirit.

For Volodymyr Zelensky

You are the worst vermin imaginable > a toxic bastard. And you were already that bastard even before Vladimir Putin's army invaded Ukraine. You and your pack of vermin are the real aggressors, abusing Russia's invasion to sanctify yourselves. You are the real **Sodom and Gomorrah**. Yes, Volodymyr, you and your ilk are the worst vermin imaginable. And this applies to all who adhere to and agree with your evil spirit.

For Joe Biden, Angela Merkel, Ursula von der Leyen, Emmanuel Macron, Olaf Scholz, Lars Klingbeil, Boris Pistorius, Frank-Walter Steinmeier, Robert Habeck, Annalena Baerbock, as well as for all the other reality monsters and NATO mutants in the Western European madhouse of rearmament and warmongering. You all are not the answer!

You are the worst vermin imaginable. > **YES**, you are all toxic bastards. You were already these bastards even before Vladimir Putin's army invaded Ukraine. You are the real aggressors, abusing Russia's invasion to sanctify yourselves. You are the real **Sodom and Gomorrah**. And this applies to **EVERYONE** who adheres to and agrees with your evil spirit.

Here I comment on the article "**Battle between Good and Evil**" by **Reinhard Müller**, in the Frankfurter Allgemeine Zeitung of May 25, 2025, which a friend and comrade approached me about.

Reinhard Müller examines and comments on the war in Ukraine, i.e., the West's fight against Russia. He speaks of the natural right to self-defense, as well as the teachings of just war, regardless of one's worldview. He speaks of the free world, united under the banner of humanity. And finally, he judges that anyone who contradicts his values and turns away from them (him) no longer belongs to the good world.

I would like to comment on this in more detail:

So, **Reinhard**!

Never before have I been confronted with such a black-and-white, toxic despotism of unconscious writing. You don't even come close to mastering any of those big words that you ultimately and unconsciously misuse, even in the title. The babble of a drunk is reflected in this hopeless scribble.

And here I open my light to you.

The truly good doesn't fight. It doesn't fight because it is invincible. But you know nothing of this, **Reinhard**, you know absolutely nothing of good. This is also because you believe you are one of the good. Therefore, you never think, and certainly not about yourself, that is, about your drunken **SELF**. And thus, you are deceiving yourself and anyone else who falls for this.

Only those who need a victory fight, **Reinhard**. They need this victory to convince themselves that they are right. Consequently, they were not right before that necessary victory; the first war, therefore, came before the supposed right you speak of. And since there was no law before the war, there is neither a just nor righteous war.

If a war were right and just, then everything that happens in it would also be right and just. In other words: If war is not a crime, then there are no war crimes during it either. Anyone who sees it differently is not only an idiot, but a vermin, a bastard.

There is no good world, **Reinhard**. The world is truly a toxic dump, the biggest garbage dump imaginable, a single, stinking cesspool. The Spatial-temporal system cesspools fight against each other according to the whore-saint principle. Whoever appropriates the other believes themselves holy, but has only confirmed and justified their own communal garbage, or rather, their communal own stench.

In a war, all sorts of things are defended, but never life, that which is truly good. Instead, this is thrown to the swine to be devoured, that is, sacrificed to the bastards, without scruples. **YES**, the most valuable of all values is thrown into the world's garbage. That means: whatever is defended is more valuable to those vermin than life. **YES**, every defensive battle devalues life. That means: life is the enemy and therefore already **dead** before the war begins. That means: if everything is dead, there can be no more war. That means: life does not contain peace. That means: death is good > life is evil. **This is the logic of a bastard.**

This is your supposedly good world, **Reinhard**. This is because you have no idea how sick you are, you smear writer. You are even more perverse than perverse.

In war, everyone sees themselves as the victim of the other. So if both are victims, **Reinhard Müller**, who is the perpetrator?

Now, **Reinhard Müller**, I'll tell you.

The perpetrator is the bastard, who carries the both and uses the victims.

YES, Reinhard, each of the supposed victims focuses solely on his opponent, and thus both are prisoners of the other. They wallow and masturbate rabidly in the collective blood of their battle. They only have eyes and ears for the **SELF** that unites them, and not for the third in the alliance. Call and echo are one and belong to the third. This third occupies and abuses both for his own glory, truly evading their senses and parasitizing undisturbed in the secrecy of the unified darkness.

Who approved your deeply ugly text, **Reinhard Müller**? Who? And what percentage do you belong to?

**That's exactly
how it is!**

1% control the world > 4% are their puppets > 90% are asleep > 5% know and are trying to wake up the 90 % > The 1% are using the 4% to prevent the 5% from waking up the 90%.

This plaque isn't my work, and I don't recognize 90% of the people who are asleep.

But I'd like to know, Reinhard:

1. Who approved your deeply ugly text from May 25, 2025?
2. Which percentage do you belong to?

Here again for your reading

Verily, Verily, Verily

Do-gooder means nothing GOOD

I advise the Central Council of Jews to immediately begin to consistently remove those ugly and guilt-ridden concrete blocks from their memorial at the Brandenburg Gate, for they are the projected image of their incorrigible concrete heads. **YES**, these worthless and meaningless chunks are obstacles to transformation, that is, they are wedges that hinder the necessary dismantling of that many thousands of years old, inner Wall of your profoundly hopeless idol cult, that is, the carcinoma of blasphemy, desecration, profanity and satanic wickedness.

This dismantling of their cursed victim role, this insight, very much opens up and characterizes not only the inevitable end of the "**Tower of Babel**" but also paves the way for global peace.

Following my call means stopping the rapidly increasing anti-Jewish hostility, while refusing to do so will have the exact opposite effect.

I tell you:

The universe is not Jewish. It never was Jewish and never will be. The Earth belongs neither to an individual, nor to an elite mafia, nor to a degenerate collective. For whoever embraces such a mindset of ownership or control and follows it immaturely is a universal bastard, worth less than a pile of stinking vermin dung. They are responsible for all the evil on the sacred Earth.

I have a message here for the global collective of all peoples and nations.

Truly, I testify to you with the greatest responsibility:

Judaism is the largest and most evil terrorist organization in contemporary and human history. The "**Old Testament**" is its party and discipline book.

Charter: "**An eye for an eye - a tooth for a tooth.**"

The "**Tower of Babel**" justifies its absolutism, meaning: The universe, creation, and all life are Jewish; meaning: taking possession and control of the universe and living creation by all means of subjugation, disempowerment, and plunder; meaning: colonization, globalization, commercialization, devaluation, hostility, fascism, despotism; meaning: a hellish ghetto.

Since then, it has been called:

Religion and politics fuck creation and humanity

Reference: Operation: "**Rising Lion**" > Drones, jets, bunker busters - how did Israel's military proceed?

Tell Benjamin Netanyahu

A lion doesn't need drones, jets, and bunker busters, Benjamin, just as a sovereign doesn't need a weapon.

You, Benjamin, YOU are just a freak, a mutation, a degeneration, a bastard, a flatulent vermin.

The universe and creation don't need you.

You have reached the End of your road!!!

The horizon is always the horizon of the smaller

I call on all **RESISTANCE** in Germany to unite in one spirit to prepare for and then initiate a change. Those responsible for global terror will certainly not prepare or initiate a change toward salvation. Not only are they not interested in doing so, but they are not even capable of doing so, even if they wanted to. All religion, all politics, all ideology, as well as Götze-Mammon's coin theory, are hopelessly stuck in a dead end. Global, comprehensive, and without exception.

Life is spiritual, not material in nature. The AllianceGrail invites all companions in this spirit to its meeting place in Wittenberg, Collegienstraße 21, Tel.: +49 3491 8731119 > My writing ends here.

I bear you witness.

My word is valid in the boundless heavens and on the timeless earth.

Redemption > Transformation

Recognizing the Greater, dissolves the self
Dissolving the self, opens Being
Awakening in Being means saying goodbye to the world
Saying goodbye to the world means arriving in life
Whoever opens themselves to the Greater, conquers death
Such a person will decide here and now

Deciding means to do - to do means Change
Change is confessing Consequence
Confessing mistakes means insight
Allowing insight opens up pain
Endure pain brings repentance
Repentance finds mercy
Mercy grants forgiveness
Forgiveness brings healing
Healing establishes the farthest joy
Love and humility reject ambition and zeal

So

Love is the source of all strength
Humility opens all knowledge
This is truth and meaning

Only an empty Chalice can draw from the source

I draw from the luminous spirit of the unborn, from the holy abundance of that spring-fountain of all being, the pure and untouchable water of life. I am and proclaim that enlightenment which opens, extends, and bestows the clarifying answer to every essential question. **YES**, I am to transform the evil spirit of darkness, to dissolve the world of lies, confusion, and delusion, and thus to end all injustice and its evil on earth forever. And I am the only one in heaven and on earth capable of doing this. So far, you haven't really listened to me, and things have gotten worse. But if you **continue** like this, things will get even worse.
