The Unborn speaks

And am I the voice of the universal all-unity

All politics is a waste of people

I tell you

Thoughts do not think. Never!

Truly

Wisdom recognizes and sees through thoughts

But I say to you:

No crime is more undignified than honoring those who need honor.

Four lines only

The first step rests in standing
From the first breath to the last
As for baby, so for the old man
There is no dignity in those, who walk the same path forever

And says the Master of all Masters

Truly

**The jar of all wisdom is empty
this suffices for inexhaustibility**

Powerful is only he who is greater than his words

Woe to the busybodies, the imposters, the adventurers, the card sharps, and the warmongers.

Woe to all the Trolls and all the bastards.

Woe to you.

I truly thank you for all your attention.

And I need neither your approval nor your recognition, nor even your appreciation.

Does the sweetest honey need the recognition of a Cesspool?

Reference: Quote of the Day "ARD-text Tafel 401" from today, Wednesday, June 18, 2025:

"I am only impressed by the advice and principles that the person giving the advice himself takes to heart." by Rosa Luxemburg

But I tell you:

Tell the Central Council of Jews:

Wisdom transcends its spoken advice and principles, and is thus GREATER than these.

Wisdom also doesn't seek to impress.

That's why wisdom isn't called Rosa Luxemburg.

The Central Council of Jews should lick its own ass instead of thinking it can think, or even recognize.

A bastard can't smell his own stench.

That's it!

I testify to the global collective of all peoples and nations.

Donald Trump declares unequivocally and indisputably:

All politics and all diplomacy is a waste of people.

That's how it is and it always has been! And nothing about this will change!! **Never!!!**

But I declare

Only an empty Chalice can draw from the source

I draw from the luminous spirit of the unborn, from the holy abundance of that spring-fountain of all being, the pure and untouchable water of life. I am and proclaim that enlightenment which opens, extends, and bestows the clarifying answer to every essential question. **YES**, I am to transform the evil spirit of darkness, to dissolve the world of lies, confusion, and delusion, and thus to end all injustice and its evil on earth forever. And I am the only one in heaven and on earth capable of doing this. So far, you haven't really listened to me, and things have gotten worse. But if you **continue** like this, things will get even worse.

**I am the path and the Wooden walkway,
the bridge and the way**

And my word is valid in the spaceless heaven and on the timeless earth

And my name is
