The Unborn Speaks

And I am the voice of universal all-unity

Listen and look

**No evil is greater,
no plague worse,
no cesspool more toxic,
no evil spirit more rabid
and no breed more malicious,
than Judaism.**

I tell you:

The atomic bombings over and on Hiroshima and Nagasaki, this civil genocide, also contained the evil spirit of genocide back then. **YES**, the evil spirit of this nuclear act not only included, encompassed, and addressed the testing and effects of this murderous weapon, but also undeniably testified to the collective of all peoples and nations, the willingness of the United States of the Jews to exterminate the Japanese people should they refuse to surrender.

YES, that biblical-satanic-Jewish evil spirit is responsible for these bombings; that evil spirit dominates, controls, determines, and directs the United States yesterday and today. It is that rabid evil spirit that also dominates the bastard Benjamin Netanyahu and his murderous mafia, whose genocidal intent against Hamas also widely slaughter Palestinian civil society. The shattered Gaza today looks like Hiroshima and Nagasaki once did; it reflects it. And this was even without nuclear masturbation. Did those wiped out then fare better than those vegetating in Gaza today?

And this biblical-satanic-Jewish evil spirit is indisputably and undeniably directed against all other peoples and nations, should they rise up against Judaism.

Volodymyr Zelenskyy also follows this evil spirit and makes use of the Jewish disciplined peoples.

I want you to grasp and understand this threat.

Therefore, I say to you:

Whoever uses violence is never right, but always wrong

Violence does not distinguish between **holy and whore**, between **good and evil**, between **light and darkness**.

So I tell you

It is right and good if the Jews to leave not only Germany, Europe, the Middle East, and the USA, but the Earth. **YES**, it is truly right and good for the entire creation, that is, for all life on Earth, for the Jews to leave this planet. For truly, the gate to eternal peace would immediately open: in freedom, joy, and bliss, in the broadest sense of law and its inviolable justice.

I demand the immediate resignation of Benjamin Netanyahu and Volodymyr Zelensky. They are the ultimate enemies of life. I demand the immediate resignation of Ursula von der Leyen and Friedrich Merz. Their lack of orientation and direction is surpassed only by their cultivated fraud and cheating. The disaster that these adventurers have already caused and are still causing overshadows everything that has happened so far.

I tell you

The West is responsible for the war in Ukraine. Russia's current provocations with jets and drones are a reminder of the Western provocations of 2013/2014 on the Maidan, which organized the attack on Ukraine's legitimate, democratic government and carried out its violent overthrow. The lies of politicians and the media, these rabid lies, will not change anything. Poland didn't attack Germany and start World War II, either.

Von der Leyen and Merz must resign so that blind hatred and hopeless agitation can cease and the holy way of the Spirit can be revealed.

**Freedom is luminous,
formless,
open,
comprehensive
and flowing content**

So

Only freedom brings peace

In the unborn, there is neither a self nor its decay

Therefore

The Old and New Testaments are called Plague and Cholera

Verily, verily, verily I testify

The All-One Spirit of the Universe is not Jewish. All the content and energy of this Spirit has always been and always be spaceless, timeless, formless, and shadowless light; is predates the Bible, is not found in it, and thus does not require it. Truth is without beginning and without end. It is present and knows no **Becoming**. All life is here and now. Freedom is open content, and thus neither conquerable nor possessible. The lie defines the beginning of the world, whose complete end is sealed in truth. Nothing and no one can change this. Either you listen, go with me, and follow me, or a nuclear finale will overtake all you. The All-One and Holistic Creation knows how to preserve itself.

And my name is
