The Unborn Speaks

And I am the voice of universal all-unity

Listen and look

Understand:

That so-called "**Jewish sow**" on the outer wall of the aforementioned city church in Wittenberg is a misinterpretation. This suckling "**SOW**" does not refer to the Jews, but to the "**Catholic Church**."

YES, Martin Luther defined the "Catholic Church" as a Jewish breeding sow. That "**BREEDING SOW**" is thus the **Church** that suckles and breeds its believers. In this definition, the Jew is neither the breeder of a sow nor that "**JEWISH SOW**," but the creator of a monster. But that's a different story.

Martin Luther recognized that the "**Catholic Church**" was and is a breeding of Judaism. But that depiction on the outer wall of the city church opens the door to misinterpretation and misuse.

Martin Luther, however, knew how to end neither that breeding sow nor its breeding. Martin Luther was not the answer.

I am ready to fill Ursula von der Leyen's chair immediately. And I am the only one capable of doing so.

**Freedom is luminous,
formless,
open,
comprehensive
and flowing.**

Thus, only freedom brings peace.

In the unborn, there is neither a self nor its decay.

Hence

The Old and New Testaments are called Plague and Cholera.

Verily, verily, verily I testify

The All-One Spirit of the Universe is not Jewish. All the content and energy of this Spirit has always been and always be spaceless, timeless, formless, and shadowless light; is predates the Bible, is not found in it, and thus does not require it. Truth is without beginning and without end. It is present and knows no **Becoming**. All life is here and now. Freedom is open content, and thus neither conquerable nor possessible. The lie defines the beginning of the world, whose complete end is sealed in truth. Nothing and no one can change this. Either you listen, go with me, and follow me, or a nuclear finale will overtake all you. The All-One and Holistic Creation knows how to preserve itself.

And my name is
