The Unborn Speaks

And I am the voice of universal all-unity

Reference: ARD text from today, Thursday September 25th, 2025 Table 409 / Herrnhuter Losungen 1 + 2

1 > Behold: He who made the mountains and created the wind, who tells man what is in his mind - his name is the LORD God Zebaoth. (Amos 4:13)

2 > Hallelujah! The Lord our God, the ruler of the universe, has become king. (Revelation 19:6)

But I tell to all you

Neither the universe is folkish or the earth. The universe knows neither a Lord nor a God nor a King, and certainly not that Zebaoth. The universe's greatness, spirit, glory, content and sense is free, empty, holy, penetrating, comprehensive, inviolable and intangible. This freedom knows neither a master nor a slave, is before all words and names, without beginning, without end and without Creator. The universe is the master of all masters, is unborn, and is reflected in the empty womb of all living things. This master is nameless and belongs to no one.

That **LORD our God** of the Jews, that is, that **Zebaoth**, that **IDOL**, was conceived, created, bred by the Jews and bound and walled up in a hopeless self-bubble (boil). His **universe** is therefore just an ugly tumor on the ass of Judaism, the stench of which fills the head, i.e. time

This purulent tumor is now parasitizing on the earth as a mighty mountain, and the wind carries the stench of Zebaoth into the boundless sky. Its sense testifies: **If I, Zebaoth, cannot have the earth, then no one shall have it.**

To Judaism, to every Jew and every Jewess

Verily, I say to you:

Leav the earth. Leav the earth and take everything that is yours with you: Take your God-Idol-Satan-Zebaoth and his Bible with you. Take with you all your lies and all your deceit. Take your coin and all your belongings with you. Take with you your evil, your sense, your hatred, your mischief, your pus, your manure, your wickedness, your idiocy, your wall, your incorrigibility, your madness, your victim paranoia and your weapons.

Take Donald Trump with you, as well as all other courtiers, minions, murderers, henchmen, eulogists, accomplices, parasites and sycophants. Take all these bred with you, and leave not just the earth, but the universe. Leave the universe because you are certainly not welcome anywhere here.

YES, truly

Leav the universe, that the earth may find peace and joy may be great! The earth does not need you, has never needed you. Just go, because no one will miss you! Just go and do it forever!!! If Zebaoth were the all-one-size of the universe, you all would be blessed with wisdom and not cursed with rabies. And your hosts march as Bastards of Genocide, darkening the face of sacred creation.

And my name is
