The Unborn Speaks

And I am the voice of universal all-unity

To Hamas and all interested parties

Listen and watch

All violence is terror

All participants in a war and their advocates are responsible for it, in thought, word, and deed.

Those who affirm violence are always wrong

Life is the sole and holiest pearl of the universe and thus the highest and most expansive value. No other value can exist alongside this **BEING**. Anyone who believes itself more valuable than life, this belief is a Decay, a lie, an ideology, a system. All lies are on the same level, and so are all ideologies and their systems. Whoever is willing to sacrifice, throw away, or steal life for a lie believes his selves that is, their own corruption to be more valuable than the universe and whose inviolable **BEING**. Therefore, whoever throws the universe's pearl to the breeding sows to be devoured, he is always and without exception a **bastard**. It would be better if **HE/SHE** had never been born.

The supposedly good ones are the profoundly evil ones

I testify to the global collective of all peoples and nations

What Donald Trump and Benjamin Netanyahu are putting on, what they are fooling the global community into believing, I call a profoundly demonic puppet show, **YES**, a devilish marionette show, the darkest spectacle imaginable, a globalized masturbation. Donald Trump appears in this scenario as that biblical **Idol-Satan-Zeabaoth**, and Benjamin Netanyahu as his profoundly paranoid **prophet**. These **bastards** know less about peace than a cow knows about chess.

So

There was and is no two-state solution, just as there are no two Earths. This isn't easy to understand, but I've always been open to honest and **peaceful** dialogue. It's equally true that whoever denies another state also denies itself as a state. This means that if Israel denies a Palestinian state, it also denies itself. If both dissolve, then true peace will be found.

Whoever demands disarmament must also implement this demand within their own camp. Only in this can credibility be found.

War is always terror, and is therefore waged solely by terrorists. If Hamas is a terrorist organization, the same applies to the Israeli army. The universe is not folkish, thus neither a people nor international law defines or exists within it.

To want to build an economic ghetto in Gaza, this I call the rabid claim of those most perverse of the perverse. **YES**, those breeding sows intend to establish a perpetual breeding pen. The gate will then read: **Right to work** > but not: **Right to life**.

Whoever denies servitude also denies domination

Truly

This, too, is not easy to understand. For those who break out of slavery, who thus free themselves from it, he are not entitled to dominion and control. The Jews have not recognized or understood this to this day: > because it has never been fathomed. **Since then, their motto has been:** If we never want to be slaves again, we must dominate and control **EVERYTHING**. That means: **Hatred, revenge and incitement of that one supposed victims**. That means: **An eye for an eye - A tooth for a tooth**. That means: **SEMITISM**. That means: **The Tower of Babel**. That means: **Hegemony**.

Donald Trump and Benjamin Netanyahu know nothing of peace. They understand it as masturbation, or self-gratification. Both have long since failed. This applies equally to the clowns Volodymyr Zelensky and Friedrich Merz, as well as to the entire European elite. They only serve the ugly rot of their hopelessly cultivated self-image, which offers neither **answers** nor **maturity** nor **salvation**.

Their self-image is merely a **festering pimple** on the **ass** of **Judaism**.

And I ask for mediation with Hamas.
