The Unborn Speaks

And I am the voice of universal all-unity

I'm telling all you

**That which is thought and bred, does not think
It cannot think
Not and Never**

And further I tell you

**No lie is greater,
no evil spirit more rabid,
no plague worse,
no cesspool more toxic,
no evil more malevolent,
no vermin more ugly,
no rot more wicked,
and no breeding more devastating,
than the Judaism.**

And

Christianity is a breeding of Judaism

And further I tell you

**What is priceless is always worthless
What rises above, is decay and cancer
These find neither ripening nor healing**

Truly

All religion, politics, and ideology have failed globally and comprehensively. All those who fear this loss have lost life itself. Their attempt to compensate defines the apocalypse. Donald Trump is demonstrating the End of the evangelicals. If Chancellor Merz and his cronies had even the slightest inkling of what is right and good, this mafia would have resigned long ago, or never even entered office in the first place. This applies to all of Europe's hubris and its banal media, all of which I hold responsible for all this global evil and its devastation.

Angela Merkel is a satanic whore. The devastation she has caused is beyond words. Her legacy, her inheritance, **Yes**, this decay of hers is reflected not only in Ukraine, Syria, Libya, and the Arab Spring, but also in the rabid and disastrous state of pan-European migration policy. **Yes**, all refugee movements towards Europe since 2015 are due to Merkels policy of overconfidence and their senseless, unresponsive, and disastrous interference. The announced honorary doctorate from Israel in November 2025 will neither sanctify Merkel nor Israel, but will instead testify to, confirm, and deepen their shared, profound decay.

Truly, truly, truly

That which is completed has no beginning

Therefore

**All beginnings find and reach no completion
NEVER-NEVER-NEVER**

Truly, truly, truly

**What you can give to one person, you give to everyone.
What you do to one person, you do to all of humanity.
A door that you open is open to all.
What is accomplished, it reveals itself.**

Truly I tell you

He who lies, lies to the universe

If even one person recognizes me and says yes, this means and outweighs more than if everyone else denies me and turns away from me. What is perfected is hereby timelessly acknowledged.

**I am the path and the Wooden walkway,
the bridge and the way**

Silence and letting go

**When all has been said, and enough words have been spoken,
and the plague's lies and deceit have been revealed to all!
And when those true spirit of Heaven is attested on Earth,
that the salvation of goodness never submits itself to rabies!**

**If the Eternal One's call goes unheard in the Fever of time,
whose realism blindly roars > so hollow, so far!
Thus the Eternal One sanctifies himself, Yes, wise and right,
in silence and stillness > quiet and just!**

Neither the universe is folkish or the earth. The universe knows neither a Lord nor a God nor a King, and certainly not that dualistic world. The universe's greatness, spirit, glory, content and sense is free, light, holy, penetrating, comprehensive, inexhaustible and intangible. This freedom knows neither a master nor a slave, is before all words and names, without beginning, without end and without becoming. The universe is the unborn master of all masters and is reflected in the empty womb of all living things. This master is the **ALL-ONE** and belongs to no one.

That which completed stands before name and word > The answer lives before the question > Peace is before war

Grow and multiply and subdue the earth!

Ready for war

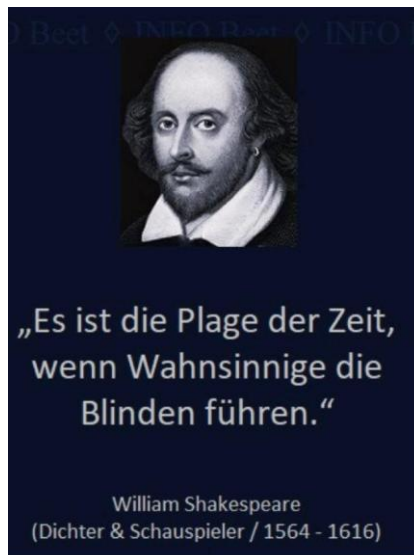

Ukrainians are also securing the future of our children with their blood.

Friedrich Merz and Ursula von der Leyen as Hatemongers

A soldier who starts to think is almost no soldier at all.

It is the plague of the times when madmen lead the blind.

GENAU SO IST ES !!

1% kontrollieren die Welt.
4% sind ihre Marionetten.
90% schlafen.
5% wissen Bescheid und versuchen die 90% zu wecken.

Die 1% benutzen die 4% um die 5% darin zu hindern, die 90% zu wecken.

1% control the world. 4% are their puppets. 90% are asleep. 5% know this and try to wake the 90%. The 1% use the 4% to prevent the 5% from waking the 90%

For Boris Pistorius

You want to kill people who have done nothing to you, just because a deranged politician orders it? Then become a soldier!

For Friedrich Merz

Shalom

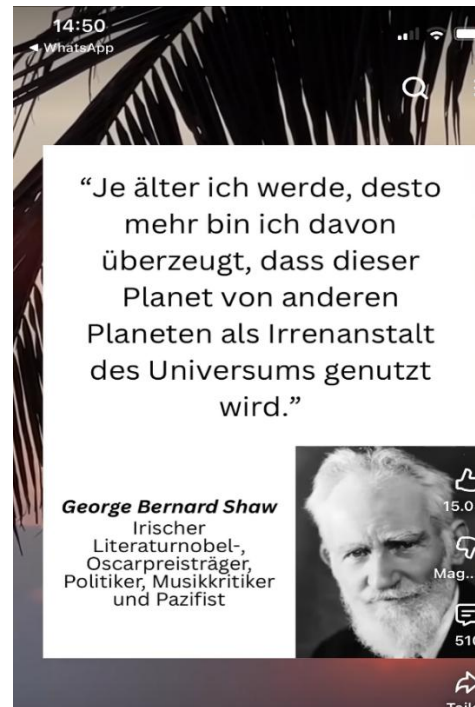

For Netanjahu and Selenskyj

Is this what a politician looks like after a war?

If the hunt is directed towards the dissenting voice instead of error, then the goal is not truth, but rather domination over thought.

The older I get, the more convinced I am, that this planet is being used by other planets as the universe's madhouse.
