The Unborn Speaks

And I am the voice of universal all-unity

Truly, truly, I say to you

The Ukraine summit in Berlin was not only the charade of a vile political mafia, but a profoundly malicious deception of the European community. Friedrich Merz, as the organizer of this mafia-like criminal orgy, **YES**, this German Chancellor, is, in collusion with the visiting political mafiosi, not only making a fool of all the political cadres and the media, but of all the peoples of Europe and beyond. This cesspool was not about peace in Ukraine, because Friedrich Merz doesn't have the slightest clue about that. Merz is not only uninterested in a genuine peace, but he can't even begin to define the word "peace."

First, the reader should grasp that Friedrich Merz is only interested in Friedrich Merz. **YES**, for him, there truly is only Friedrich Merz. His inner rot runs so deep that it has long since covered up, devalued, and discarded everything else. He is so thoroughly corrupt that he always orients himself only toward those where he can embrace his own rot in them, in order to then hatch joint schemes with them. Zelenskyy and all the other participants in this conspiracy nevertheless serve and follow this profoundly putrid logic. Thus, on Monday, the Chancellery became their shared cesspool.

Those who are intellectually superior to these bastards, are by definition, wrong. Those who disagree with them are the enemy. It is never even considered or examined whether a different understanding is correct, that is, good, right, and valuable, or could be. This is the abysmal logic and method of **self-destruction**.

The meeting at the Chancellery on Monday wasn't about peace in Ukraine, but about business. It's about a business model that needs to be installed and secured in Ukraine, just like in Germany after the Second World War. This deal isn't about billions, but trillions. The yappy officials in the Chancellery and those pulling the strings behind the scenes want to take over Ukraine to plunder the country and its people, just like all the colonial powers throughout history. The forces of this multinational force are by no means dedicated to peace, but solely to securing the business and maximizing profits. This isn't just a deeply criminal conspiracy; those responsible are demonstrating their intention to betray the Ukrainian people. **Volodymyr Zelenskyy is at the forefront of this effort.**

The behavior in the Chancellor's Office around Friedrich Merz, this perversion confirms the Western aggression on the Maidan in early 2014, as it follows whose evil spirit, because they are conspiring with him. Vladimir Putin will rightly never allow himself to be associated with this.

Therefore, once again:

For Wolodymyr Selenskij

1. Anything is more dignified and beneficial than continuing a senseless war.
2. Declare to the global community today your firm willingness to cede all territories claimed by Russia.
3. Then, withdraw all Ukrainian troops and their military equipment from these territories without delay.
4. No more mines may be laid.
5. All residents of these territories may stay or leave.
6. Volodymyr Zelenskyy resigns immediately.
7. Ukraine will not rearm, but rather demilitarize and cease weapons production.
8. An immediate ceasefire is hereby declared.

For Wladimir Putin

1. You then declare the war over and establish a total ceasefire.
2. You end all attacks against Ukraine and cease all fighting.
3. The Russian military remains only in the ceded territories.
4. No more mines are laid; instead, their clearance is organized.
5. There must be absolutely no aggression against the inhabitants of the ceded territories. None! They are free to leave or stay.
6. I am ready at any time to open the way forward to true peace at a common negotiating table.
7. The West is not necessary for this; in fact, it is a hindrance.

Friedrich Merz must be ousted. This is the only way forward if peace is desired in Ukraine.

And here's another message for **Anthony Norman Albanese**, Prime Minister of Australia.

So

I bear you witness that the Bondi Beach attack is more of a reaction to the situation in Gaza. What connects them, what points to this connection, is the beach. Benjamin Netanyahu's attempt to hold you partly responsible for this massacre is solely to deflect attention from himself and his murderous responsibility for the situation on the Gaza beach. Benjamin Netanyahu's vile corruption doesn't just reach across the earth to the beaches of Australia, but extends to the boundless sky. You should ask him two questions publicly, in Front of the cameras:

1. What is antisemitism?
2. What is Semitism?

I'm sure he can't answer either question correctly.

And I kindly request the media to mediate here:

Truly

Whoever lies, lies to the entire universe

Never, ever will he/she find peace. **Never.**

And my word holds true in the boundless heavens and on timeless earth

**I am the path and the Wooden walkway,
the bridge and the way**

Neither the universe is folkish or the earth. The universe knows neither a Lord nor a God nor a King, and certainly not that dualistic world. The universe's greatness, spirit, glory, content and sense is free, light, holy, penetrating, comprehensive, inexhaustible and intangible. This freedom knows neither a master nor a slave, is before all words and names, without beginning, without end and without becoming. The universe is the unborn master of all masters and is reflected in the empty womb of all living things. This master is the **ALL-ONE** and belongs to no one.
