The Unborn speaks

And I am the voice of universal all-unity

For Donald Trump

Your invasion of Venezuela was not only a grave mistake, but this act of terror demonstrated to the global community of all peoples and nations that you are incapable of answering the questions of our time. You are not solving problems, but rather deepening and obscuring their underlying structures.

Aside from the fact that **You** weren't even addressing the drug problem in the US, which not only persists in its entirety, but your futile attack will not change that, your credibility has now been completely shattered.

You in no way embody the spirit of life, freedom, joy, happiness, and peace, but rather act as their sinister enemy. **Yes**, you even believe you are powerful. But you are profoundly mistaken. Self-righteousness, arbitrariness, and violence - these do not define the word "**Power**" at all, but are further removed from it than a **Cow** is from a game of Golf. You boast about the fact that no American soldier lost his life in your corrupt invasion. But what about those who slaughtered your warriors? Are their lives worth less than American lives? If so, Donald, then your life is already forfeited, because with your political and ideological self-understanding, you grant everyone else the absolute right to kill you if they value their life more than yours. **Yes, Donald, you have utterly devalued yourself.**

You are neither the enlightening answer nor the future, but rather represent all the unanswered questions of the past.

Truly

Whoever lies, lies to the entire universe

Never, ever will he/she find peace. **Never.**

And my word holds true in the boundless heavens and on timeless earth

I am the path and the Wooden walkway, the bridge and the way

Neither the universe is folkish or the earth. The universe knows neither a Lord nor a God nor a King, and certainly not that dualistic world. The universe's greatness, spirit, glory, content and sense is free, light, holy, penetrating, comprehensive, inexhaustible and intangible. This freedom knows neither a master nor a slave, is before all words and names, without beginning, without end and without becoming. The universe is the unborn master of all masters and is reflected in the empty womb of all living things. This master is the **ALL-ONE** and belongs to no one.
