The one Unborn speaks

And I am the voice of universal all-unity

*On Tuesday, February 24, 2026, at 9:47 a.m., I wrote to the Mitteldeutsche Zeitung:*

The one Unborn speaks

And I am the voice of universal all-unity

**Reference:** Thoughts for today, Tuesday, February 24, 2026:

**"Love your task with passion; it is the meaning of your life."**

But I ask all you:

Does this also apply to the soldier, who causes so **much suffering**?

And further, I ask you:

Who determines your task? Perhaps that **idol** who makes you his servant?

Or is it your father, mother, and others who raise, breed, and infantilize you?

Or is it perhaps those words that control you?

Or is it those pronouncements that some fool has put into your head?

Or is your task to parrot the nonsense of others?

Or is your primary task to refuse to think?

**YES**, you don't even realize what rubbish you're spouting. That's because you are further from the meaning of life than a cow is from a game of chess.

For the global collective of all peoples and nations

You can recognize a fool by the fact that he adorns himself with a weapon and then imagines himself safe and powerful.

Truly, truly, truly I say to you

A weapon provides neither power nor security nor peace, but exposes worthlessness, hostility to life, decay, and self-destruction.

Should Donald Trump attack Iran, he is attacking not only Russia, India, and China, but the entire Earth. Donald Trump panders to and caters to Semitism, as does the right-wing government under Benjamin Netanyahu, as well as Volodymyr Zelensky and all his European scum.

Trump, Netanyahu, and Zelensky are truly the most perverse of perverts. They would rather destroy the planet than reflect on their own actions. **Yes**, and when it is done, they will see and portray themselves as holy victims.

Truly, truly, truly

### The word knows nothing of its meaning

I tell you

### The only victor is he who does not fight

Only the spirit of life is just, and never lies. And **YES**, everyone gets what they deserve.

**Reference:** Thoughts on the Day of the Central German Newspaper from Friday, February 27, 2026:  
**"Everything that takes on gigantic proportions can be impressive, even stupidity,"** by Erich Kästner

This statement applies not only to Olaf Scholz, but also to Angela Merkel and all her predecessors, as well as Scholz's successors, right up to the **would-be great** Jens Spahn, who hopes to inherit Friedrich Merz's legacy. The stupidity of all this narcissistic, malicious, and treacherously perfidious **dandyism, Yes**, all this pathetic stupidity truly surpasses all the idiocy of millennia of space and time.

And Donald Trump's so-called Peace Council, which adorns its name with the initiation of a war of aggression, this Peace Council is not only founded on this stupidity, but those gigantism has already reached the highest peak in space and time: **Epic idiocy**.

For Olaf Scholz

So, Olaf

**It's not continuing a failed marriage that ushers in a new era, but rather its dissolution.** Yet, there are quite a few men who define this new era by unleashing their previously hidden hatred and its raw violence from their inner sanctum, in order to brutally abuse "their" wives and children, even to the point of murder. They believe they can bring about a **change** this way, solely for their own benefit, that is, for the sole purpose of gratifying their navel-gazing. But in reality, and undeniably, their supposed new era is nothing more than a perpetual, complacent continuation of the **Continue as before**.

A **true turning point in time** occurs only when time turns against itself, thus surrendering defenselessly to an external NO. For this **NO** of disempowerment initially brings about a decisive standstill of time; this standstill consequently and inevitably heralds a turning point, and then opens the door to the End of that previous time. A continuation of the **Continue as before**, however, as a condensation, intensification, and expansion of **failure**, not only testifies to the denial of the turning point in history, that is, the refusal of its self-reflection, but also confirms and reinforces the authoritarian-despotic dictate of an absolutist self-righteousness and incorrigibility, thus prescribing mercilessly strict irreversibility and conjuring up an apocalyptic decline.

**Yes**, Olaf, back then you were unaware of the rabid nonsense of your Semitic-Mephistophelean self-importance, nonsense you probably still espouse today, or rather, that continues to control and dominate you. This pinnacle of nonsense, **Yes**, this putrid delirium, as the infernal crowning achievement of your chancellorship, this culmination of a sacrilegious and pathetic masturbation, **Yes**, this public masturbation at the expense of the Ukrainian people, then negated your desire for a long chancellorship, with a profound turning point in your story. **Yes**, Olaf, your **downfall** heralds a personal turning point, which gives **you** the chance to reverse your Mephistophelean self-importance.

The war of aggression waged by Donald Trump and Benjamin Netanyahu against Iran is just another injustice in a long line of Semitic perversions throughout history. The satanic spirit of this line was not first revealed with the Vietnam War, but has been rampant ever since, permeating the entire history of humankind and its disastrous self-understanding. In modern times, this spirit invaded and raged like a rabid plague in Afghanistan, Iraq, Libya, Syria, Ukraine, Gaza, and Venezuela, and even pounded on Greenland's door. And this is solely for the sake of global conquest, the supposed claim to which is found as the pinnacle of idiocy in the Old Testament of Judaism, blasphemously echoing it: **"Be fruitful and multiply, and subdue the earth."**

The intention of the **Semitic aggressors**, that is, the **USA, Israel, and Semitic Europe**, to overthrow that so-called Iranian **Mullah-System**, this public admission as a blueprint for the events in Afghanistan, Iraq, Libya, Syria, Ukraine, Gaza, and Venezuela, this repetition irrefutably testifies that everything I have said in and with the **words of my enlightenment** is correct, timeless, and inviolable.

Listen, man:

**Only he who masters his words is truly powerful**

and

**Only when you take it out, you know what you had in your Eye**

For Benjamin Netanyahu

Your bestial slaughter in Gaza is not only reminiscent of Nazi Germany's rampage in the Warsaw Ghetto, but surpasses that history.

The ostracism, dispossession, robbery, and expulsion of the Palestinians after the founding of Israel and the British withdrawal in 1947, this so-called **Nakka**, initiated that Semitic masturbation in the Middle East as early as 1948. Yes, this profoundly murderous masturbation by the Jews affected several hundred thousand Palestinians, lasted for several decades, and has now reached an undeniable historical climax with that modern genocide in Gaza.

I call the attack on Iran > **state terrorism**, and the killing of the leadership > **a murder under the rule of law**, deliberately organized and precisely executed, in which all of Europe has conspired.

It is said that Adolf Hitler killed himself.

However, to compare the murdered Iranian leadership with Adolf Hitler, i.e., to equate them with him, is wrong because this blueprint is more likely to copy you, means apply to you, to that rabid leader of a profoundly Mephistophelean conspiracy who considers himself holy, which points to a widespread stupidity and depravity. Certainly, all the unjustly slaughtered insurgents of the mullah regime cannot be justified. And yet, the legitimate question arises as to what extent the Western-Semitic conspiracy knowingly instigated, stirred up, and fueled this hopeless uprising, and thus bears partial responsibility for what happened, as before in Iraq, Syria, Libya, and especially Ukraine, as well as in the aforementioned Arab Spring. Your political whore Merkel was always at the forefront of this.

Truly I bear witness to you

**No lie is greater,  
no evil spirit more rabid,  
no plague worse,  
no cesspool more toxic,  
no evil more malevolent,  
no vermin more ugly,  
no rot more wicked  
and no breeding more devastating,  
than the Judaism.**

Truly, Truly, Truly

**Empty is the jar of all wisdom, and this is enough for the inexhaustibility  
Those who are supposedly good are the truly evil  
What rises up, it is always rot and cancer  
What you give to one, you give to everyone  
Humility crowns all wisdom  
The word knows nothing of its content  
Love is what, neither has nor needs  
Freedom is formless content  
Only he who can never lose is truly powerful  
He who draws from the spring always drinks clean water  
He who affirms war fears peace  
He who serves the word does not master it  
You will be judged by every judgment  
Man's power is always his powerlessness  
The struggle of the shadow is the smile of the light  
The first step rests in Stand  
The wise man knows the hour  
Fire does not burn is self**

Truly I tell you,

Benjamin Netanyahu stinks even when he is silent. But when he speaks, his stench is unbearable.

This applies equally to Friedrich Merz and to all those who do not know it.

For the Iranian people

**Mohammad Reza Pahlavi is free to stagger around anywhere, but not in Iran!**

I know the answer and the way out of the current dilemma. And if those who seek are ready to follow me, I will not only end Israel's biblical megalomania.

And my word is valid in the spaceless universe and on the timeless Earth.

Truly, truly, truly I say to you

**Man's power is always and solely his powerlessness**

Truly

The Spirit of Life judges, not the evil spirit of the mortal.

Truly, truly, I say to you

**This answer of mine opens the path to global salvation**

Transformation means:

### Rebirth in the love of the unborn

"Don't put down the oar until the boat is ashore," Gabonese proverb

I tell you

The seeker and the way never teach the goal, for in the goal their rules dissolve. He who rows in circles will never find the goal. But he who places the oar in the hand of the caller, he/she...

Therefore

Patience doesn't end in struggle and noise, but in regression. **Who are Know-it-alls no ear!** And their **AI-Idol** even less so.

Truly

### Whoever lies, lies to the entire universe

Never, ever will he/she find peace. **Never.**

And my word holds true in the boundless heavens and on timeless earth

### I am the path and the Wooden walkway, the bridge and the way

Neither the universe is folkish or the earth. The universe knows neither a Lord nor a God nor a King, and certainly not that dualistic world. The universe's greatness, spirit, glory, content and sense is free, light, holy, penetrating, comprehensive, inexhaustible and intangible. This freedom knows neither a master nor a slave, is before all words and names, without beginning, without end and without becoming. The universe is the unborn master of all masters and is reflected in the empty womb of all living things. This master is the **ALL-ONE** and belongs to no one.
