And I testify

Where there is no Wisdom, there is no Right. Not, and never

Truly

The war in the Middle East began at the hour when the terrorist state of Israel was founded on May 14, 1948. The supposed fundamental right of the attackers is based on **1. Book of Moses (Genesis) 1:28.** of the Old Testament of Judaism and reads:

"Grow and multiply and subdue to you the earth".

With these whispered, imposed, dictated, bred, foolish, imagined and blinding words of a supposed fundamental right of Judaism, i.e. with this suggested exceptional right of the named Jewish people, this Semitism was actually born long before as a globally occupying cancerous tumor. **YES**, the **1. Book of Moses (Genesis) 1, 28.**, **YES**, this satanic dogma defines the birth, cradle and emergence of a cancer cell, i.e. that metaphysical as well as physical mutation, as a malignant metamorphosis. Anyone who understands the cancer cell, i.e. sees through its induction, also recognizes the reason why a previously naturally healthy cell mutates, i.e. believes itself to be more valuable and holy than other cells, and as a result considers itself chosen to persuade and incite other cells to act as a malicious guild to occupy an **"organ"**, to take over and control it. As a result, the mutated community of those cancer cells parasitizes on the **"body"** as a murderous tumor, devalues and masturbates on it, then consumes it, and thus disposes of its host and itself. **YES**, that supposedly chosen tumor, that supposedly divine authority and seemingly holy authority, does not even recognize the in-house madness of its apocalyptic mentality. The blasphemous **Idol-God-Father** of this satanic birth can be found in the Undercellar of the Jewish house, i.e. in that space-time of biblical Judaism, as well as in every self-image of imposture and cheating. He crouches as a hornless, toothless, blind bull on a putrid **altar throne**, surrounded by masochistically stinking manure, and as an echo sounder for all his followers and sympathizers. He knows how to control their hopeless search for the Ark of the Covenant well. This search is hopeless because the religious trauma of the Jews cannot be found and resolved externally, but only internally. (I don't want to write down the cause of the cell mutation here). **What arises is called rot and cancer.**

This apocalyptic spirit is reflected not only in the collective, rabid, hopeless stupidity of Donald Trump, Benjamin Netanyahu and Volodymyr Zelenskyj at the front line, but also in that hybrid rearguard of Western amnesia. The cancer does not spread, but rather corrupts. Because the cancer cell is actually cowardly, weak and disoriented, and cannot survive on its own. She has to constantly keep moving and ensure supplies. If it stops, it dissolves immediately.

I bear witness to the global collective of all peoples and nations

Without a cause there is no effect. Cause and effect belong together and can therefore only be transformed and resolved together. This is an absolute, irrefutable, undeniable, spaceless and timeless certainty. The cause is always where the effect is. They definitely form an imposed and inseparable conspiracy, are always turned towards each other, mutually dependent, and thus the beginning and end of their common presence, belonging, connection and responsibility. They are not dual, therefore neither perpetrator nor victim of their pairing, and there is neither a plaintiff nor a judge here. Everyone imagines the other within themselves, and as a result projects and sustains only themselves and therefore also the other. This is not easy to understand, and especially not for a named function, which works exactly the same way. **YES**, a cancer cell works the same way and therefore follows this mysterious law, is only interested in self-preservation and thus justifies its own self-destruction. This representation paints the evil spirit of egocentrism, i.e. that material narcissism, this evil spirit that carries the global, comprehensive world disaster within itself, is responsible for it and reflects it.

The alleged victim is the worst perpetrator

In all the past millennia, no people on earth has been more tormented, persecuted and humiliated than Judaism. But this fact is misunderstood and misinterpreted by many, instead of recognizing and naming this fact as a just consequence of a present, concrete, tangible cause that undeniably exists. This means that all the suffering of the Jews, that all the pogroms of terror mentioned above, are due to a cause, and this cause can only be found where all its consequences breed and rage, namely in the center of Judaism. Because cause and consequence are one, belong to each other and can therefore only be resolved together. However, if the effect does not want to meet its cause, and thus constantly and consistently avoids it, deeply denies it, walls it up and buries it, then this cause is in no way dissolved or even disposed of, but rather denied, camouflaged, concealed, protected and cared for. To do this, Judaism uses a deeply perverse strategy and tactic. It always sees and defines itself as a victim and positions the perpetrator somewhere else. **YES**, the Jews project their **Perpetratorship**, i.e. the in-house cause, onto a select, comfortable counterpart and thus make this neighborhood responsible for all the consequences of their hopeless victimhood. This demonic and deeply wicked as well as unscrupulous depravity of the **Whore-Saint Principle**. The cause of the hostility to the named Judaism that has lasted for thousands of years and is constantly repeated, **YES**, the origin, trigger and motivation for all those pogroms of horror, **YES**, the heart and soul of all those attacks, violence, persecutions, hunts and massacres, which then culminated in the named Holocaust, the motive for all this hatred is based in the Old Testament of Judaism > **1. Book of Moses (Genesis) 1, 28.**, and reads:

Grow and multiply and subdue to you the earth

This is just one of numerous insidious Mephistophelian lies in the Bible, but it is the most disastrous. **YES**, the biblical writings are permeated by numerous, malicious, infernal and hateful quotes and statements. But the most evil and disastrous fragment of all those Jewish religious writings, this defines this: **1. Book of Moses (Genesis) 1, 28.**

YES, this dictate of that Jewish-biblical **Idol-God**, this commandment, it establishes and defines what is truly the most profound racism in human history, this racism apparently valorizes the named Jew, i.e. elevates it, and devalues, i.e. degrades, the rest of creation. This Old Testament **Idols-Bid**, is the birth of Semitism, as the worst desecration, desecration, devaluation, hostility and demonization of the Holy of Holies of living wholeness.

No **blasphemy** in religion, politics and ideology, no other **curse** in space and time, no other **lie and deception** has caused more harm in the spaceless heaven and on the timeless earth, than this deeply **satanic cult saying of the Old Testament**.

YES, these words of an alleged God, i.e. this deeply cruel statute, as well as a hopeless formula, have since then portrayed the Jew as holy and condemned everything that is not Jewish. These words determine that the **God-Idol** of the Jews that was first illustrated and then illuminated is Jewish, as are heaven and earth, and therefore also all other life and to being. This means that the holistic glory and diversity of creation is of Jewish nature, and therefore belongs to Judaism and is therefore subject to and servile to it. Whatever is not Jewish, however, is all **whore**, completely devoted to Judaism and completely and constantly at the mercy of its arbitrariness. All law is therefore reserved exclusively for Judaism, and this right therefore outweighs the right to life, human rights and international law. The Jewish arbitrariness therefore always appears to be legitimate and not tied to any other law or commandment, not subject to any other order, not subject to self-reflection and superior to all wisdom. And this is just a fragment of all the lies, errors and confusion in the religious writings of the **Jewish creation fairy tale**. Because the truth is that all **live** is not **dual**, but **all-one**, and therefore one Be can never higher and can be more valuable than another to be. There is no other life but life. There is nothing better in the universe than **GOOD**. **Good is enough**. The life of the earth does not belong to any people, but only to that holy greatness that supports the earth as a luminous whole, **YES**, in whose unborn womb it rests united, safe and secure. **Therefore, that Semitism has been the farthest, greatest and most malicious enemy of all life ever since.**

I want to make it unmistakably clear here that no lie in human history has caused more harm in space and time than the rabid appropriation of all life by this **1. Book of Moses (Genesis) 1, 28.** No other dogma in space and time has caused more evil, terror, vice, accident, land damage, horror, trauma, torture, psychological terror, torture, bullying, infirmity, infirmity, misery, ruin, damage, distress, plague, abomination, misery, curse, illness and suffering on earth than this satanic arrogance of a people group, which continues to believe in today, is brighter, holier, more glorious, more worthy, to be more intimate, more meaningful, more valuable, more right, more blessed, more peaceful and more just than all that spiritual **BEING**, which was already present, penetrating and comprehensive before the beginning of space and time. No confusion on earth has ever been more pitiful than the dark arrogance of a murderous band of racist bastards that has just committed genocide in Gaza and is now also murderously masturbating in Iran.

Truly I testify to you

**No lie is greater,
no evil spirit more rabid,
no plague worse,
no cesspool more toxic,
no evil more malevolent,
no vermin more ugly,
no rot more wicked
and no breeding more devastating,
as the Semiticism of Judaism.**

YES, Judaism is responsible for the atomic bombs on Hiroshima and Nagasaki. He is responsible for opening the wars in Vietnam, Afghanistan, Iraq, Libya, Syria, Ukraine and now Iran. He is also responsible for and encourages the pollution of the planet in terms of earth, water and air. The global fever of militarization, weapons forging and rearmament is also largely due to Judaism, i.e. that **Semitism** that is the mainstay of Judaism and secretly controls and drives the hegemonic madness of capitalism across the earth. **Since then, this Semitism has embodied and undeniably defined the absolutism and its tyranny to whose imperial claims the USA, as well as Europe, are helplessly and hopelessly subjected, at the mercy of and conspiring.** Judaism dominates, determines and controls the Western alliance. The war in Ukraine, in Gaza, as well as the recent attack on Iran, testify to this certainty beyond a doubt and undeniable, and this is clearly visible to everyone. The politically deformed Europe clearly and unmistakably confirms the truly irreversible decline of its sworn rule of law.

YES, with the satanic maxim: **1. Book of Moses 1.(Genesis) 1, 28.** gives birth to that biblical-religious **cancer**, i.e. the toxic evil spirit of **Semitism**, in which the absolutist **racism** is based, which threatens all earthly life. A terrorist cell, mutated in apocalyptic megalomania, seriously believes that it has been chosen and gifted by the universal spirit to deform the holistic, sacred earth in order to take possession of it and subject it to its control. **YES**, a dark bunch of **bastards** seriously believe they have a calling to masturbate on the living creation, according to that wicked "**Whore-Saint Principle**".

Like Moshe Dayan, Benjamin Netanyahu always sees the enemy as being on the outside, even though he only hates, agitates and makes noise inside, just like any cancerous tumor. Moshe Dayan once looked for his enemy with binoculars. But his glass probably gave him away as a sniper's bullet hit the binoculars and shattered his left eye. Where his spying eye had previously been, here was now a dark cave, which he henceforth hid behind an eye patch, as a cellar door to the inner and unknown whereabouts of the real enemy. Unlike Benjamin Netanyahu, Moshe Dayan was able to understand all the hatred of those who opposed Israel. The Jews had illegally, systematically and thoroughly robbed the Palestinians of all their rights, all their property and all their land and then occupied it, while also allowing tens of thousands of Palestinians to endure and suffer in ghettos for years. Benjamin Netanyahu does not know about his inner, malignant and deadly cancer, which is based on abysmal hatred and truly exposes him as Israel's greatest enemy. He is the terrorist and mass murderer, the brutal butcher that he always sees by his enemy, and is worse than Hamas and Hezbollah combined.

The misuse of the word "**Anti-Semitism**" in some European countries at the beginning of the twentieth century, this devastating misuse, is primarily due to the ideological racism and its xenophobic hatred, which ultimately gave rise to the murderous fascism of the National Socialists. Seither ist diese Vokabel zu Unrecht gebrandmarkt. **YES**, nothing snubs Judaism more than this supposed insult. But this profound and far-reaching term **Anti-Semitism**, this silent obituary to the end of the French Revolution, this vocabulary is in no way directed against Judaism, but rather defines that hopeless Semitism as a deeply malignant tumor fragment of this national community.

I warn all you about Merz and Wadephul, as well as the pan-European and global hubris, whether in the first, second or third row. **They embody an apocalyptic cancer tumor.**

And I testify to all you again

The war in the Middle East began at the hour when Israel was founded on May 14, 1948. The fundamental right of the attackers is based on **1. Book of Moses (Genesis) 1, 28.** of the Old Testament of Judaism and reads:

"Grow and multiply and subdue to you the earth"

And with this the largest and most evil terrorist organization in the history of space and time was truly born.

I'm telling all you

The military attacks on Ukraine, on Gaza, on Iran and on Lebanon, **YES**, all of these armed conflicts are undeniably the continuation of the earlier aggressions against Japan, Vietnam and the many other theaters, as well as later against Afghanistan, Iraq, Libya and Syria. **YES**, with all these hopeless marches, the conquistadors responsible are certainly, absolutely and undeniably testifying that the **Judeo-Christian-Occident**, i.e. that "**West**", has not only recently appeared as a rabid mob of global ragers, aggressors, demagogues, agitators, conquerors, rabble-rousers and war criminals, but has since represented the largest and most brutal terrorist organization in human history. But the modern terror in Gaza, Iran and Lebanon, whose cruel despotism also applies to testing new weapon systems, these barbaric pogroms even put the evil spirit of the world wars in their shadow. Donald Trump, Benjamin Netanyahu, Volodymyr Zelensky, as well as European hubris, these define and embody the most profound ethos of all space-time. **Manhole dirt and gutter shit.**

Truly, Truly, Truly

**Empty is the jar of all wisdom, and this is enough for the inexhaustibility
Those who are supposedly good are the truly evil
What rises up, it is always rot and cancer
What you give to one, you give to everyone
Humility crowns all wisdom
The word knows nothing of its content
Love is what, neither has nor needs
Freedom is formless content
Only he who can never lose is truly powerful
He who draws from the spring always drinks clean water
He who affirms war fears peace
He who serves the word does not master it
You will be judged by every judgment
Man's power is always his powerlessness
The struggle of the shadow is the smile of the light
The first step rests in Stand
The wise man knows the hour
Fire does not burn is self**

I'm telling all you

Only when you take it out, you know what you had in your Eye

Basically, every title only testifies to a function, but by no means to size, value, right, dignity, character, personality and sovereignty. Each function defines a prefabricated content, a fixed set of rules, a narrow and limited **view**, this view is only reflected and confirmed in that event that corresponds to its echo. But everything that happens, which exceeds the trained, partial, bred and subjective and therefore unconscious dogma of that **view** and is therefore overwhelmed, that is, occurs and appears beyond its horizon, the function can only respond to this excessive demand correctly and credibly by remaining silent, not acting and withdrawing. This means that the function that is confronted with a reality that is unknown to it, misunderstood and therefore overwhelming, means that this function can never, ever **act** accurately, correctly and helpfully, but will always react in accordance with how its prefabricated, limited, limited and self-aggrandizing, inferior reflection of its homemade heteronomy sifts, assesses, interprets, weights, evaluates and judges that unknown phenomenon. And if it incorrectly sifts, assesses, interprets, weights, evaluates and then judges, it will by no means act accurately, correctly and helpfully, but will react disastrously and destructively. Because the human being as a function in no way reacts to what is actually happening, but only to what the paranoid confusion in his **head** makes of it. **YES**, the function has neither a conscious-cognitive nor a comprehensive connection to deep spiritual, immaterial and metaphysical processes, events and quantities. This means that ultimately not only what is unconsciously predetermined perceives the external events, but also the result of prejudices, know-it-alls, defiance, hatred, opinionatedness, arrogance, stupidity and incorrigibility then listening, measuring, examining, puzzling, searching, asking, researching, devising, inventing, evaluating, interpreting, deciding and judging. This applies to everyone, to the informer, the plaintiff, the lawyer and the judge, if they only follow one function, which ultimately says nothing about size, spirit, attitude, dignity, character and personality. **And even less about knowledge and wisdom.**

Where there is no wisdom, There is no value, no rights, no freedom and no peace here

**Function does not contain or define wisdom, answer or path
Where there is no wisdom, no answer, no path, there is no transformation
Where there is no transformation, there is cancer and self-destruction**

This means:

What each function truly lacks in spiritual size, value, insight, knowledge, wisdom, meaning, character, personality and sovereignty, which it neither recognizes nor grasps or understands, what is therefore neither obvious nor conscious to it, what it can therefore in no way even approximately grasp and interpret, it certainly cannot perceive or evaluate, neither clarify nor reach, neither experience nor judge or even judge about it to court. Whoever fakes it anyway is not only doing a deep injustice, but is also testifying to their evilness. **This person is like a cancerous tumor.**

I bear witness that the Western hubris resembles a deeply malignant cancer, and as such it emerges and marches forward. Above all, Donald Trump, Pete Hegseth, Benjamin Netanyahu, Volodymyr Selenskyj, Friedrich Merz, Emmanuel Macron, Keir Starmer, Ursula von der Leyen, Mark Rutte and all their sycophants.

These murderous bastards will not only force, deepen and advance the war in the Middle East, but expand and radicalize it. Their devastating use of arms defines the common cancerous tumor in their heads, this hopeless tumor only wants to and feed preserve itself, and in doing so does not know that it is surrendering itself to the comprehensive apocalypse that it itself is conjuring up.

Well then

I repeat myself and say that it doesn't play a decisive role whether you understand me or take me seriously. Wisdom knows how to cope with every situation, without argument or fight. She offers the answer, as well as her hand, and withdraws in the knowledge that nothing is free and nothing is lost. For all wisdom is always known and preserved within. The supporting spirit of wholeness is silent in its all-encompassing presence because it is indomitable in its luminous wisdom. However, indifference, indolence and corrupt immobility, they in no way indicate greatness, standing, courage, character and composure, but are the surest indication of narrow-minded overestimation of one's self, rot and decay. A weapon never gives strength, certainly not greatness or even justice. Anyone who picks up a gun to shoot their way clear is already standing on foreign soil before they even start marching. **"An eye for an eye, a tooth for a tooth"** means I don't need either and can do without either. Anyone who is prepared to kill does not live. He has never lived and knows nothing about this.

"The first phase of this war was fun," wrote the Jewish Newspaper on March 9, 2026. But what if it doesn't continue to be fun? Was that first phase just an ugly deception and worth nothing? Or are we still guaranteed to have fun when the next phase turns out to be more deadly, brutal and murderous? Then the tenth phase must be a hell of a lot of fun for us. **YES**, pervert is easy to spot. Enjoys talking, but not listening. Therefore, without the end of the **"Central Council of Jews"**, there will never be peace in the Middle East. And its closure is just one necessity among many.

Truly

Whoever Lies, lies to the entire universe

Never, ever will he/she find peace. **Never.**

And my word holds true in the boundless heavens and on timeless earth

**I am the path and the Wooden walkway,
the bridge and the way**

Neither the universe is folkish or the earth. The universe knows neither a Lord nor a God nor a King, and certainly not that dualistic world. The universe's greatness, spirit, glory, content and sense is free, light, holy, penetrating, comprehensive, inexhaustible and intangible. This freedom knows neither a master nor a slave, is before all words and names, without beginning, without end and without becoming. The universe is the unborn master of all masters and is reflected in the empty womb of all living things. This master is the **ALL-ONE** and belongs to no one.
