The one Unborn speaks

And I am the voice of universal all-unity

*On Sunday, March 15, 2026, at 12:23 a.m. I wrote:*

I would like to comment on the death of Jürgen Habermas here.

He may have been many things, but he was certainly not an enlightener. However, he was presented and honored in this way because he posed neither a threat nor a real challenge to the system, i.e. to the ruling class. He criticized and pointed out things, of course, but he wasn't the answer. The Hubris knew this and positioned him so that all eyes and ears were turned to him, so they could adorn themselves with him. They abused him for their own protection. They glorified him because they could place themselves in his shadow in order to more easily hide their darkness and evil. Jürgen Habermas took part in this cheap game, accepted this attention and basked in his success because he was able to hide what no one should see. **This is out of vanity.** He continued to run with it, corrupting himself and profiting from it. He had a place in the spotlight, but he didn't do anything big except get screwed. All honor was a media deception, an intellectual stupidity, the stench of a common rot. **Same for the same.**

All intelligence is always stupid enough to overestimate itself or allow itself to be overestimated.

Enlightenment is different. An enlightener never stands in the pale light of hubris, at the side of an apocalyptic cancer whose honor he neither needs nor wants nor would ever accept. Jürgen Habermas was not outside, but in the middle of the tumor. He has thus hidden his darkness.

**Oh dear!**

For Donald Trump

**Without wisdom there is no answer, no way and no salvation**

So Donald

Whoever wants to solve a problem with a gun, that person is the bigger, **YES**, the real problem. Anyone who is ready to kill a named person is ready to kill all people.

**YES**, Donald, the cancer is willing to wipe out everything just to survive. She believes herself to be superior and even eats her host, who she feasts on and masturbates on. **Do you want to understand that, Donald?** Do you want to understand that? Do you want to understand that you are raging like a cancerous tumor? You and all those who dance merrily in your shadow?

I know how you can get out of your dilemma, Donald Trump. **YES**, I know it.

But you don't know.

And you'll have to ask me, Donald. **Personal!**

**I am your only chance.**

2/2 **Teaching text:**

Verily, verily, I say to you, if you ask the Father for anything in my name, he will give it to you. John 16:23

But I tell all you

Not those who hope, pray and ask receive it, but only those who deserve it.

Verily, verily, verily

Everything is enough for everyone. That's enough! Life is enough!

**HORIZONT is always HORIZON of the smaller**

**Reference:** Latest issue of "DIE ZEIT" from March 26, 2026, **title:** Can I therapy myself?

The question must be correct: Can the **SELF** therapy itself? Because, the self **has** no **I** > It **is** the **I!**

So the question is right: **Can I therapy myself?** And if **therapy** means the same as **healing**, the answer is **NO**.

Because

An illness cannot cure itself. She is curable, **YES**, but the cure is not present in the disease. The **healing** is next to the disease. So the disease has to say goodbye to make room for healing. Means: She has to let something go in order to get something in return.

Illness means > "**cause and consequence**"

It is the same with the self. The healer (my name), he/she lives beyond the self, i.e. beyond whose horizon. The self must therefore do something to cross its horizon (cross the bridge) in order to meet the healer. The self must open > **humility**. (He who gives, receives) I'm not saying it's easy. But there is no alternative to salvation.

I am ready to have the most open and healing conversation at any time.

So Giovanni

Do you really think the answer requires effort? Do you really believe that, Giovanni?

Well then, I want to answer you

The answer doesn't require any effort. She knows no effort. She is carried by the effortless flow of the water, even before it sources. **YES**, Giovanni, the answer is before the question. She is without question, without fear, without suspicion and without doubt.

The answer is the tool of the unborn master, Giovanni, and dominated solely by him.

So

Anyone who needs effort to answer, he is sick and a chatterbox. You, Giovanni, are a chatterbox and should therefore remain silent.

**You are just as without an answer as the system that determines you.**

*On Monday, March 30, 2026, at 12:33 p.m. I wrote to "DIE ZEIT" online:*

**Reference:** Zeit-Online from March 29, 2026 > Peter Sloterdijk's statement: "**We have become part of a cabaret perversion**"

I do not agree with Peter Sloterdijk's statement: "**We have become part of a cabaret perversion**" in the sense that I belong to his "**We**".

This is not about a cabaret event, but undoubtedly about the perverse evil spirit of a deeply satanic minority, this minority who conspired and succumbed to the rabid, absolutist intention of taking possession of the holistic, holy earth in order to control and direct the global exploitation of the planet: **1. Book of Moses (Genesis) 1, 28**. The attack against Iran is undeniably an attack against the understanding of the global collective of all peoples and nations, which understanding the community perceives and witnesses differently than the attackers. The evil spirit of this minority defines itself as a fragment of Judaism, is called **Semitism** and is to be recorded, interpreted and classified as a global apocalyptic **cancer**.

Donald Trump is not the leader and driver of this minority, but only the henchman, courtier, crony, sycophant and accomplice. It is in Jewish hands, means he is blackmailed, coerced, corrupted and is hypocritical; and enriches itself in a way that has not been possible before.

Benjamin Netanyahu is the real enemy and murderous butcher, not Iran. If the Gulf states realize this, they will fraternize with Iran and bring Israel to its knees. And if Donald Trump finds the courage to withdraw from the satanic wickedness of the Jews, the war will end as well.

Listen to me carefully

If the **God** of the Jews were the truly comprehensive spirit of life, no other religion could have followed Judaism. YES, another religion would not be possible at all. Therefore and certainly all religions follow and bear witness to only one message: >>> **They are all false.**

Today, Saturday, April 4, 2026, at 5:30 p.m., I am writing:

I repeat

If the **God** of the Jews were the true, all-encompassing, sustaining, and Holy Spirit of Life, then no other religion could have followed Judaism. **Indeed**, another religion would not even be possible. Therefore, and certainly, all religions follow and bear witness to only one true message: >> **They are all lies and deceit.**

Truly, I bear witness to the global collective of all peoples and nations.

**Politics and religion  
follow only one option:  
Masturbating against the whole,  
without losing.**

Therefore

**Judeo-Christian West  
means rot, curse, and decline.**

I tell you

**Time is cancer.  
The world is cancer.  
The self is cancer.  
The system is cancer.**

Und also

**The idol temples and churches are a cancer.**

Sickness is the system's bottle deposit.

Cause and effect belong to, determine, and devastate each other.

Truly,

The political system will never be able to heal the people's ailments, since it is their cause. Yes, the evil spirit of the system is consequently the evil spirit of sickness, which it truly can never transform. Therefore, all ailments will increase with every hour from now on, accelerating the system's demise. And all the sick efforts of politics are not only in vain, but will truly further devastate the collapse.

## **Idolatry and Satanism mean all arbitrary absolutism**

The global masturbation of these systems has not only spawned that apocalyptic cancer, but also defends and glorifies it with all the means of paranoid rabies. The devastating **crusade** against Iran is truly only a visible and audible fragment of that satanic, masturbating pogrom. The death penalty sought by Israel's racist-fascist bloodhounds for Palestinians, that "**eye for an eye, tooth for a tooth**" slogan, this satanic idol charter, actually applies to everything **non-Jewish**. The fundamental pollution of the planet down to its smallest cell, this suicidal terror against all **oneness**, **Yes**, this comprehensive death sentence is further intensified, acknowledged, confirmed, and invoked by the now arrogant, massive, and despotic rearmament and militarization. It is a matter of cooperating with rabies, totalitarianism, the law of the jungle, despotism, overheating, and climate change, instead of correcting them.

Jesus of Nazareth certainly did not die on the cross for the forgiveness of others' wrongdoing and guilt. Anyone who claims this, he is not only a mentally deranged **bastard**, but more perverse than perverse, and profoundly malicious in their utter **lies and deceit**. Jesus was nailed to the cross by rabid despots and ruthless bloodhounds because they saw him as a threat to their self-righteous hubris. No one in heaven or on earth can proclaim this more clearly and justly than I. Even today, they nail him to the cross day after day, believing they can protect themselves and their lies from him in this way. **The princes of the churches are the princes of hell.**

On Earth, countless trolls are indeed making a racket, raging, and causing mayhem. Trump, Netanyahu, Zelenskyy, and European hubris are all among them, and not just in the front ranks. They are not the answer of all the questions in time. **Certainly not.** They are all charlatans, cheats, and adventurers who know nothing of the bright, true, and sacred riches of life. I warn you about Merz, Klingbeil, and their entourage. They are not only profoundly mentally ill, but they cling to this belief and celebrate themselves like the condemned at the launch of the Titanic.

I tell you,

Who is upright, is neither friendly nor unfriendly. He is simply what he is: **sincere**. Only those who fear sincerity and perceive it as a threat, he call him unfriendly. They are sworn itself to lies, not to truth.

Truly I bear witness to all you.

**No lie is greater,  
no evil spirit more rabid,  
no plague worse,  
no cesspool more toxic,  
no evil more malevolent,  
no vermin more ugly,  
no rot more wickedand  
and no breeding more devastating,  
as the Semiticism of Judaism.**

and

**Christianity is the breeding of Judaism**

Truly

**Whoever Lies, lies to the entire universe**

Never, ever will he/she find forgiveness and peace. **Never.**

And my word holds true in the boundless heavens and on timeless earth

**I am the path and the Wooden walkway,  
the bridge and the way**

Neither the universe is folkish or the earth. The universe knows neither a Lord nor a God nor a King, and certainly not that dualistic world. The universe's greatness, spirit, glory, content and sense is free, light, holy, penetrating, comprehensive, inexhaustible and intangible. This freedom knows neither a master nor a slave, is before all words and names, without beginning, without end and without becoming. The universe is the unborn master of all masters and is reflected in the empty womb of all living things. This master is the **ALL-ONE** and belongs to no one.

**ALL-ON**

**Do you know, Spring,  
I love you much!  
And every year,  
By one bloommore.**

**I recognize you,  
And I listen.  
And know deep in me,  
that I am with you.**

**I am one with you,  
In your course.  
I look at you,  
And blossom.**

**Yes, you are the All,  
And I am with you.  
The sun is shining,  
It's half past three.**

**What is time,  
What is space?  
The blossom asks,  
Also the tree.**

**Let's smile,  
In embracing.  
Life greets,  
Be serene!**

**Everything ends,  
What not mine.  
It rots:  
Because it's not in ALL-ONE!**
