However, Donald Trump says that a winner is never dependent on a loser; is therefore not defined by this.

Because if the winner defines himself through a loser, he is the loser's parasite.

And says Donald Trump that a cancerous tumor can never win, even if it takes over all the organs of a body and then wipes them out, i.e. consigns them to the Stone Age.

Because the tumor will go away with it. YES, the supposed winner is actually the biggest loser. Because he loses everything that could have made him a winner if he hadn't done everything wrong, but had done something right just once.

What rises himself above others, Donald, is always rot and cancer. These can't stand alone, Donald. Therefore they can never be called winners.

Winning is different, Donald.

For Donald Trump

So Donald

A real winner doesn't need a loser.

Because if the winner defines himself by the loser, this means that he was and is dependent on him. Thus, the loser becomes the pedestal of the winner, who rises up on it, thus exalting himself and hypocritically. But such a winner who uses the loser as a pedestal, uses and abuses it, this winner is like a cancerous tumor, which rots with the worn-out loser. **There is no winner here.**

There has never been a winner here.

A cancerous tumor does not belong to any nation, religion or ideology, is common to all of them and can therefore never be a winner. Rather, every cancerous tumor is a parasite, this parasite, as a parasitic creature, cannot even stand on its own, let alone exist. Since the moment of its birth, the tumor has always masturbated as an inevitable loser. It believes itself to be powerful, and yet, since the first moment of its existence, precisely because of its unlimited dependence, it has always been at the mercy of and to its powerlessness. The tumor therefore fears nothing more than the loss of its supposed power, this fear actually and ultimately only reveals and bears witness to its powerlessness.

Nothing is more powerless than a parasite. Because his supposed power is given to him by a corrupt landlord. **And not even this one is powerful.**

Listen and look

I am announcing a message on the Middle East later this afternoon.

I demand an absolute and lasting ceasefire immediately.

I welcome the efforts of Pakistan and others, as well as the statements of its Defense Minister Asif, in which he described Israel as a "curse for humanity" and a cancer. He should definitely stick to this and not make any compromises.

I will announce today what needs to be done to open an irreversible peace in this region.

The joint consent of all those involved is not only necessary, but also possible.

There will then be no loser.

And my word is valid in the shoreless heaven and on the timeless earth

To end the conflict in the Gulf region, I call for the following measures:

- 01.** All attacks and shelling by the opposing sides will cease completely.
- 02.** The Strait of Hormuz will remain solely, for the time being, under Iranian control.
- 03.** The US will withdraw all warships and all military forces from the entire region.
- 04.** Israel will begin the complete withdrawal of all troops and their military equipment from Gaza and Lebanon today. **Completely!**
- 05.** Not one square meter of Gaza or Lebanon will be seized or occupied by Israel. And certainly not for a flagpole.
- 06.** Hamas and Hezbollah are laying down all weapons and ending all aggression. Absolutely and without exception
- 07.** I advise all Gulf states to show solidarity with Iran. Not because they agree with it, but because they distance themselves from Israel.
- 08.** Those who are unwilling to do so, I call complicit in the breeding ground of that "**cancer that is Israel.**" Those in office, I call the greatest enemies in their own land.
- 09.** Benjamin Netanyahu is the true evil of Israel. That proposed death sentence intended for the Palestinians should instead target the head of the tumor.
- 10.** I know of no one in heaven or on earth who can pave the way forward and guide all you.
- 11.** No arms deliveries to Iran by China or others.
- 12.** Donald Trump should listen and learn.
- 13.** Benjamin Netanyahu is confronting his corruption and other depravity.
- 14.** Volodymyr Zelenskyy faces his decay

I know that quite not a few people **think** they know better. Well then. If you follow the rules of them, I'm out. Then, I'll really have nothing to do with the consequences.

But I tell you,

Those who think they know better are the ones who created all this evil. **They are the cancer.**

So Mathieu

Hungary has proven nothing. The line, however, only proves a nonsense.

Because, and I want to be clear:

Democracy is just a mask that doesn't even have the slightest idea of what lies behind it, > just as only a few know what flows through a hollow pipe or what stinks in the basement of your cultivated self-image.

But I know for sure that this newly elected **overconfidence** behind the Hungarian mask will not bring about any real change.

I also know for a fact that you, Mathieu, don't even have the slightest idea what healing actually entails. You can't even define the word. Because if you had even the slightest hint of inner insight into this, you would **never, ever** have been able to formulate this line of your editorial in this way. Why you not write an editorial about the **wisdom** inherent in healing?

You have no idea, Mathieu, how much your lack stinks. Oh dear, oh dear, oh dear

I'm telling you

A reform never causes anything positive, only negative. It always aggravated and obscures what it is supposed to improve.

Because

Whatever is valuable, right and good, requires no reform.

What is unworthy, wrong and bad, does not need reform either, but should be passed away forever, i.e. transformed and dissolved.

Because unworthiness, injustice and evil cannot be reformed. Not only is it and remains what it is, but the reform obscures it.

The AI will not do anything positive either, but will only deepen all the harm. Stupidity cannot be reformed.

You should think about why cancer is increasing.

Where there is no **wisdom**, there is no life, no value, no right, no good, no meaning, no freedom, no peace, no love, no answer, no way and no salvation. **Non and never.**

However, where there is **wisdom**, there is life, value, right, good, meaning, freedom, peace, love, answer, path and salvation. **Always has.**

And wisdom needs no reform.

From this hour onwards I will forego your letter to the editor! **It's not worth it!** Here there is no life, no value, no right, no good, no meaning, no freedom, no peace, no love, no answer, no way and no salvation. **They never been here.**

So

I have a message for Heiner Wilmer, the chairman of the German Bishops' Conference.

Your statement that society would have collapsed long ago if Christianity did not exist does not enhance Christianity in any way; rather, it not only deeply devalues this religious community but also undoubtedly reveals and testifies to its malevolence. **YES**, Heiner, you pathetic little mind, you don't recognize that Christianity actually masturbates on sick society in order to give itself meaning; > a meaning that neither opens up change nor healing, but actually prevents it, and thus serves Christianity as a worthless parasite. **YES**, Christianity unmistakably parasitizes an already ailing and weakened organ, draining it of all the potency and energy it so desperately needs for its own healing. In this context, you even bless the weapons of those who protect and defend your Satanism.

YES, Christianity, in this way, comprehensively, indisputably, and undeniably, appropriates all that remaining strength of society which it consequently lacks to escape this diabolical abuse, and consequently to open itself to healing and experience regeneration. This inviolable fact testifies that Christianity follows only the logic of a malignant tumor.

Anyone who deludes themselves into thinking that a profoundly failed marriage still has some binding meaning and should be preserved simply because one of the two rotten souls belongs to Christianity, not only knows nothing of love, but is life's greatest enemy.

Let me enlighten you, you hopeless troll!

He who reveals and bears witness to a sacred, healing value and meaning knows that he can bestow redemption only upon those who are open to it. Never will he squander his power where no insight exists; here, letting go is the first and sole commandment of the hour. Where this wisdom is not lived out, there prevails the paranoid frenzy of the mortal. Providence knows this and follows, singularly, comprehensively, and without exception, that very commandment of wisdom. He who does not surrender himself entirely to this meaning, who, in other words, does not follow this wise counsel, whether here or there, casts the shared and sacred pearl of life as fodder to those swine who nourish, guard, and defend the cancerous tumor.

So, Heiner Wilmer, you reveal to society that you embody a contrived and cultivated function, a depraved, hybrid function that can neither think nor recognize, but is solely interested in maintaining its self-importance. Your ignorant faith defines this hubris. And the energy that drives your function, you steal this energy from those who could use it more constructively. **YES**, Heiner Wilmer, the bishop is a cancerous growth.

I testify to you once more, in other words:

So, Heiner

Truly, truly, truly

The Christian message is neither wholesome nor life-affirming, but rather profoundly deceitful, malicious, and satanic in its claims. The decline of Christianity was decided at its very birth and is therefore, and certainly, irreversible. There never truly was a Jesus Christ. He is the product of a perverse ideology and follows the logic of a cancerous tumor.

Your supposed sanctification of Christianity through your arrogance is, in fact, and irrevocably, an admission of guilt for Christian depravity. This begs the question: Who will forgive you?

In fact, your sole aim, driven by self-interest and at any cost, is to preserve Christianity. **Only in this way can you maintain the Church and the bishop.** You cannot and will not recognize that all this internal decay, when intensified and expanded, has degenerated into an apocalyptic state. This is a fact you share with the Jews.

You not only prevent healing, but you do not want it. In fact, you are expending all your remaining energy to prevent it. Therefore, this abused society must renounce Christianity in order to then begin its own healing.

Urbi et Orbi is the blessing of the cancerous growth, that is, the **institution Church**. The cancerous growth never blesses healthy cells, but only those that conform to its breeding principles.

There is no wrong with letting something that has failed fail. But to protect, maintain, and preserve it—this corresponds to the evil spirit of a cancerous growth.

So, Heiner Wilmer

You believe you are good, and yet you embody profound evil.

So

"Goody-two-shoes" means nothing good.

Truly, truly, truly

Jesus of Nazareth once proclaimed: **"Do not fear the truth, for it will set you free."**

The Church, however, proclaims: **"Fear God!"** Which God are we talking about here?

So, Heiner, you follow that "whore-saint principle" and therefore have no idea how much you stink.

The consequences of that cancerous growth, the **"Judeo-Christian Occident,"** all those aftereffects, still persist today. Your colonial rampage is also based on that slogan: **1. Book Mose (Genesis) 1, 28.**

So I ask all you:

What does:

1. Book Mose (Genesis) 1, 28.

I want to answer and clarify.

This dogma does:

Birth of a global cancerous tumor

This cancerous growth defines the apocalypse, reveals itself in the malevolent spirit of the coin, and threatens the wholeness of the Earth, that is, all life. Those who control and drive the coin, so the global capitalism, there define the totalitarian absolutism, which is rooted in the paranoid rabies of that Jewish dogma. I call this absolutism **Semitism**, which undoubtedly originates in the delusion of Judaism, thus hiding in the basement of its house (space-time), and rages globally and comprehensively.

Truly, truly, truly

Every cancerous growth is spiritual in nature, thus attributable to a malevolent spirit, and is rooted in the invisible. Therefore, it can only be resolved through the spiritual realm. The cancer cell is to be defined as a lie, as error, falsification, deception, fraud, perversion, disfigurement, distortion, inbreeding, defilement, blasphemy, abuse > meaning: education, breeding, alienation, subjugation, seduction, damage, plunder, corruption, prostitution, exploitation, plunder, enslavement, degeneration, curse.

The healthy cell follows its true essence; that is, the nature of timeless and spaceless Creation. All its energy is dedicated to primordial Life and flows into its holistic truthfulness. The community of all natural cells follows this order exclusively and unburdened that very one that is, and has always been, sustained and permeated by an all-encompassing and sacredly whole Magnitude: that unifying, luminous, loving, fulfilling, purposeful, and blissful Spirit. Wherever this sacred way is corrupted, the cell mutates toward spacetime decay and corruption. Here, no life exists or can be found—only the curse of an existence determined by forces that are alien and hostile.

Any distortion, alienation, or devaluation of the original spiritual perception of the sacred wholeness; such desecration invariably leads to a perversion, blockage, and erosion of life energy, that is, its deprivation, loss, and deficiency. This opens the door to degeneration and darkening within the cell, meaning that, directly transferred to the physical-material plane, it gives birth to a mutation and sets in motion a gradual and progressive weakening, maldevelopment, and degeneration. The affected individual will then deepen and expand this mutation through their own misconduct, recklessness, confusion, and other excesses.

The transformation of a cancerous tumor occurs solely on the spiritual level, the very level that gave birth to the tumor. Healing on the physical level can be supported by additional measures, which can contribute to recovery. However, this support should not have any harmful side effects. But without the spiritual resolution of those underlying causes stored in the "basement," without their transformation, healing is not only impossible, but inconceivable. I am ready to testify to this at any time, in any discussion.

And I bear witness to all you:

Regarding that dogma **1. Book Mose (Genesis) 1, 28.**, that maxim was preceded by a fundamental rot; yet, I shall not expound upon that monstrosity here. AI nourishes and serves that globalized cancerous growth, and it will end in an inferno.

Reference: Bevor yesterday "Tagesschau" broadcast, May 10, 2026, at 8:00 PM.

In that broadcast, Hamas was once again labeled a terrorist organization. Yet this is a rabid lie, yes, a catastrophic misapprehension of the facts. Possibly by giving **AI** the Tagesschau an wings.

Therefore, I declare once again:

The true terrorist organization in the Middle East was founded on May 14, 1948, and is named Israel. This tumor, indeed, terrorizes not only that region, but ever since the global community of all peoples and nations. **YES: Semitism** as a global cancerous growth, this malignant tumor, is growing, deepening, and expanding more menacingly than ever before. Those media outlets that place the sole and fundamental blame for the prevailing and enduring terror upon Hamas are deliberately feeding this **Semitic terrorist growth**; they are, therefore, co-responsible not only for the murderous genocide in Gaza but for all the havoc that this **Judeo-Christian tumor** has wreaked over the past millennia. There are no words for this. It defies all description.

Therefore

If, then, you do not rise up and gather yourselves in a resolute **NO**, that hybrid cancerous growth which defines, dominates, and controls the minds of all the political, religious, and ideological elites, **YES**, then this rabid **alliance of tumors** will devour its common host. To that **NO**, there is no alternative.

Therefore and once again

**Not only the words and deeds of the one
who touches bear witness to his greatness and worth,
but also the reaction of the one touched.**

Verily, Verily, Verily

I warn you once again against that alliance surrounding Friedrich Merz, Lars Klingbeil, Boris Pistorius, Johann Wadephul, and their so-called experts. To speak here of deranged psychopaths is a deceitful understatement. Within this rabid crew, a deeply irredeemable degeneration prevails, that is, the monstrous deprivation of the living spirit: not merely of sight and hearing, but the most profound lack of natural perception imaginable. Here is nothing more to be found, but noise and clamor. These irredeemable mutants not only possess no answers, but they do not even remotely grasp how to search for them. They have long since succumbed to their own questions, **YES**, they are hopelessly at their mercy. This **alliance of decay** adheres solely to that BlackRock logic, a logic that not only fails to recognize true value, but is incapable of experiencing or assessing it, and certainly has no desire to even sense, let alone understand, what such value entails. It belongs to that **breed** of absolute and terminal stupefaction, a state that functions solely for the sake of functioning itself; a state that poses no genuine questions because it fails to grasp their very purpose. Nothing defines and confirms this deficiency more clearly or more profoundly than the mere act of functioning.

Regarding Joschka Fischer

I urge you to take this immature man seriously under any circumstances. Hardly anyone else is harder to bear than this windbag. He has always been the cancer-tumor of the Greens.

Truly

Whoever Lies, lies to the entire universe

Never, ever will he/she find forgiveness and peace. **Never.**

And my word holds true in the boundless heavens and on timeless earth

**I am the path and the Wooden walkway,
the bridge and the way**

Neither the universe is folkish or the earth. The universe knows neither a Lord nor a God nor a King, and certainly not that dualistic world. The universe's greatness, spirit, glory, content and sense is free, light, holy, penetrating, comprehensive, inexhaustible and intangible. This freedom knows neither a master nor a slave, is before all words and names, without beginning, without end and without becoming. The universe is the unborn master of all masters and is reflected in the empty womb of all living things. This master is the **ALL-ONE** and belongs to no one.

Because the truth is that all **live** is not **dual**, but **all-one**, and therefore one Be can never higher and can be more valuable than another to be. There is no other life but life. There is nothing better in the universe than **GOOD. Good is enough.** The life of the earth does not belong to any people, but only to that holy greatness that supports the earth as a luminous whole, **YES**, in whose unborn womb it rests united, safe and secure. **Therefore, that Semitism has been the farthest, greatest and most malicious enemy of all life ever since.**
